Essay

Your essay should be 500 words, double spaced with 3 or more paragraphs. You should address in your essay: Your college goals and choice of major, what you intend to do with your education, and why a scholarship is important to you. Include any academic and non-academic accomplishments, personal characteristics, or experiences that make you uniquely worthy of scholarship consideration.

Major Area of Study: _____

Have you ever received a scholarship? _____

Applicants Signature - By signing the space below, you are certifying that all information is correct and that you are the person completing this application.

_____

Our purpose: to raise funds to support graduating Richland County High School students and new or returning IECC students entering the medical field. Dr. Stephen E. Reid took a special interest in education and mentoring future MD's and PA's and this tournament is a memory to his dedication to the field of medicine. With that in mind, the board has decided to extend the scholarship to all entities of medicine to be able to encompass all fields that facilitate greater patient care
