MEMORANDUM

FROM: Ryan Gower
DATE: June 20, 2023
RE: 2023 – 2024 IECC Academic Catalog

The District's academic catalog sets forth courses and programs and disseminates IECC's policies that apply to the operation of the District and its students. Throughout the year, the Board and Administration act on various items that impact the catalog. These changes are recorded on the IECC Catalog Change Log. Changes that effect the current academic year are also posted as an addendum on the iecc.edu website. All items on the Catalog Change Log are incorporated into the next academic year's catalog. The catalog, along with all posted addenda, are the binding document for the District's relationship with students.

Because high school counselors and District personnel continue to use the catalog when advising students, the District will print 817 catalogs for a price of approximately \$5,842.00. Creasey Printing will print the catalog.

A link to the proposed 2023-2024 catalog has been sent to the Board for review. Following is a summary of changes that were made since the 2022-2023 catalog was printed.

I ask for the Board's approval to print the 2023-2024 IECC academic catalog and to post it on the website in preparation for the upcoming academic year.

RE: 100.21 Gramm Leach Bliley (GLB) Act Policy and Information Security Program

The Gramm-Leach-Bliley Act (GLBA) requires all postsecondary institutions to protect student financial aid information by implementing an Information Security Program. GLBA requirements were updated on December 9, 2021 with an effective date of June 9, 2023.

Cabinet has recommended changes to Policy 100.21 to comply with the new GLBA requirements. Since this is a Board policy, I am also making a copy of the corresponding procedure available for your review.

I would ask for the Board's approval of Policy 100.21 as presented.

Alex Cline has provided the following supplemental information for context and understanding of his team's ongoing efforts:

One of the new GLBA requirements is an annual Information Security Program status report to college leadership. The IT team has made significant progress toward improving IECC's security posture and continues to monitor security risks and implement technology best practices. Below are some of the ongoing security initiatives implemented to address the GLBA requirements.

Risk Assessment

We contracted with Keller Schroeder Technology Consultants to conduct an Information Security Assessment. This assessment is based on the National Institute of Standards and Technology (NIST) cyber security framework and the 800-171 Readiness Self-Assessment and Gap Analysis. This assessment contained 347 questions that evaluated various systems and security procedures and provides recommendations for improvements.

System and Software Patching

Microsoft and Patch My PC automated patching software is utilized to ensure software patches are automatically applied to end-point computers as needed.

Artic Wolf Management Detect and Response (MDR) and Managed Risk (MR) systems were implemented in the fall of 2022. These systems monitor both network traffic and end-point software for security risks. Both systems have been very helpful with identifying and patching security vulnerabilities.

Banner system patches are tested and applied as needed following our change management procedures.

Employee Data Security Access

Supervisors complete an IT Services Request form and a Banner Security Request form to request security access for new employees. Security access is evaluated when any employment changes occur.

Physical Security

The District Office computer room is a shared space during working hours and locked after hours. The security consultant recommended placing a locked cage around the server and networking equipment.

Social Security Numbers

All new employees are required to attend FERPA and security training that stresses protecting confidential data, including SSNs.

Detection and Response

Microsoft and Arctic Wolf systems actively monitor network traffic, user logins, and computer devices for malicious activity. These systems are beneficial in identifying potential cyber security attacks and attempted unauthorized account logins. The IT team is still learning how to best configure the systems to reduce the number of false positives and improve our security posture.

Disaster Recovery Plan

The IT department maintains a disaster recovery plan outlining critical systems and procedures for recovering from a disaster at the District Office data center. The disaster recovery site is located at Wabash Valley College.

Security Incident Response Plan

A more formalized security incident response plan is being developed using the Arctic Wolf Incident Response Jumpstart system, included with our subscription. This plan will be completed within the next 30 days.

International Access

A large percentage of the security attacks originate from countries outside the US so many of the security tools recommend blocking international access. However, our international students occasionally need to access our systems from their home countries. To address this issue, the IT staff is working with the International staff to identify and code the international travelers so we only allow home country access to approved students.

Oversight of Service Providers and Contractors

Service provider access must be approved by the Information Security Program Coordinator and the provider employee must complete the IECC Remote Access Request Form. New software agreements are reviewed to ensure any vendors accessing protected data will comply with the IECC Information Security Program.

Employee Training and Education

All new employees are required to attend cyber security training prior to receiving technology accounts and services. In addition, all current employees receive cyber security training on an ongoing basis using the Knowbe4 training system. The system sends out weekly cyber security tips and the IT team is developing phishing campaigns to test our employees. Employees that fail the phishing test may be required to attend additional training.

Gramm Leach Bliley (GLB) Act (100.21)

Date Adopted: June 17, 2003

Revised: Revised 6/20/23 (Pending Board Approval)

The Board of Trustees and Employees of the Illinois Eastern Community Colleges shall operate in compliance with the Gramm Leach Bliley (GLB) Act, (16 CFR Part 314).

In order to comply with Federal Law and to protect critical information and data, the **Chancellor Chief Executive Officer** in conjunction with the Cabinet shall develop a procedure for an Information Security **Plan Program** to comply with this regulation.

The goal of this procedure will be to define IECC's Information Security **Plan Program**, to provide an outline to assure ongoing compliance with federal regulations related to the **Plan Program**, and to position IECC for likely future privacy and security regulations.

GLB mandates that IECC appoint an Information Security **Plan Program** Coordinator, conduct a risk assessment of likely security and privacy risks, **implement and test safeguards to control risks**, institute a training program for all employees who have access to covered data and information, oversee service providers and contracts, **establish an incident response plan**, ~~and~~ evaluate and adjust the Information Security **Plan Program** periodically, **and report, at least annually, to District leadership on the Information Security Program.**

The Coordinator must help the relevant offices of IECC identify reasonably foreseeable internal and external risks to the security, confidentiality, and integrity of customer information; evaluate the effectiveness of the current safeguards for controlling these risks; design and implement a safeguards program, and regularly monitor and test the program.

Effective date: 9/2/15

Revised 6/12/23 (Pending Cabinet Approval)

Information Security ~~Plan~~ Program

Preamble

To protect critical information and data, and to comply with Federal Law, the **Chancellor** ~~Chief Executive Officer~~ in conjunction with the Cabinet proposes certain practices in IECC's information environment and institutional information security procedures. These practices will impact diverse areas of the Colleges, including but not limited to the Business Office, Financial Aid Office, Office of the Registrar, Student Services, the Library as well as many third-party contractors. The goal of this document is to define IECC's Information Security Program, to provide an outline to assure ongoing compliance with federal regulations related to the Program, and to position IECC for likely future privacy and security regulations.

Gramm Leach Bliley (GLB) Requirements

GLB mandates that IECC appoint an Information Security ~~Plan~~ Program Coordinator, conduct a risk assessment of likely security and privacy risks, **implement and test safeguards to control risks**, institute a training program for all employees who have access to covered data and information, oversee service providers and contracts, **establish an incident response plan**, and evaluate and adjust the Information Security ~~Plan~~ Program periodically, **and report annually to District leadership on the Information Security Program**.

Information Security ~~Plan~~ Program Coordinator

To comply with GLB, IECC has designated an Information Security ~~Policy~~ Program Coordinator. This individual must work closely with the **Chancellor's President's** office, outside counsel, if need be, as well as the academic and administrative areas listed in the "Preamble" above. The Coordinator is presently the Director of Information **and Communications** Technology.

The Coordinator must help the relevant offices of IECC identify reasonably foreseeable internal and external risks to the security, confidentiality, and integrity of customer information; evaluate the effectiveness of the current safeguards for controlling these risks; design and implement a safeguards program, and regularly monitor and test the program.

Risk Assessment and Safeguards

The Coordinator will work with an external vendor to conduct an annual Information Technology security audit to ensure the district is implementing security best practices. The Coordinator has primary responsibility for the identification of internal and external risk assessment, but all members of the IECC community are involved in risk assessment. The Coordinator, working in conjunction with the relevant IECC offices, will conduct regular risk assessments, including but not limited to the categories listed by GLB.

The Coordinator is designated the responsibility of assuring that patches for operating systems or software environments are reasonably up to date, and will keep records of patching activity. The Coordinator will review the procedures for patches to operating systems and software, and will keep current on potential threats to the network and its data. **Risk assessments will be updated quarterly**.

The Coordinator will work with the relevant offices (Business Services, Human Resources, the Office of the Registrar, and the Library, among others) to develop and maintain a registry of those members of the IECC

Effective date: 9/2/15

Revised 6/12/23 (Pending Cabinet Approval)

community who have access to covered data and information. The Coordinator in cooperation with Human Resources and the Business Office will work to keep this registry rigorously up to date.

The Coordinator will assure the physical security of all servers and terminals which contain or have access to covered data and information. The Coordinator will conduct a survey of other physical security risks, including the storage of covered paper records in non-secure environments, and other procedures which may expose IECC to risks.

One of the largest security risks may be the possible non-standard access to social security numbers. Social security numbers are considered protected information under both GLB and the Family Educational Rights and Privacy Act (FERPA). By necessity, student social security numbers **are stored still-remain** in the IECC student information system. IECC will conduct an assessment to determine who has access to social security numbers, in what systems the numbers are still used, and in what instances students are inappropriately being asked to provide a social security number.

The Coordinator will ensure that all electronic covered information is encrypted in transit and that the central databases are strongly protected from security risks.

It is recommended that relevant offices of IECC decide whether more extensive background or reference checks or other forms of confirmation are prudent in the hiring process for certain new employees, for example employees handling confidential financial information.

The Coordinator will develop a written plan with procedures to detect any actual or attempted attacks on covered systems and will develop incident response procedures for actual or attempted unauthorized access to covered data or information. The Coordinator will periodically review IECC's disaster recovery program and data-retention policies and present a report to the Cabinet.

Oversight of Service Providers and Contractors

Third-party service providers may be granted access to IECC protected data only when they have a need for specific access to accomplish an authorized task and are able to comply with IECC security and privacy policies and procedures. This access must be reviewed and authorized by the Coordinator or their designee. Access must be based on the least-privilege necessary and appropriate security controls must be implemented.

Employee training and education

The Coordinator will work in cooperation with the Office of Human Resources to develop training and education programs for all employees who have access to covered data. ~~These employees typically fall into two categories: professionals in information technology who have general access to all IECC data and those employees who use the data or have custody of such data as part of their essential job duties.~~

Knowledge of cyber security best practices is one of the best defenses against cyber threats. All current and new employees must complete cyber security training at the start of employment and as requested by the district. Failure to complete the training may result in loss of IECC technology access.

Employees who do not follow best practices outlined in the training and fall victim to cyber scams will be required to attend additional training. These employees may also be required to meet with their supervisor, Information Security Plan **Program** Coordinator, and/or the Human Resources Director to review the consequences of their actions. Repeated failure to follow best practices may result in referral to the district's disciplinary process.

Effective date: 9/2/15

Revised 6/12/23 (Pending Cabinet Approval)

Evaluation and Revision of the Information Security ~~Plan~~ Program

GLB mandates that this Information Security ~~Plan~~ Program be subject to periodic review and adjustment. Processes in relevant offices of IECC such as data access procedures and the training program should undergo regular review. The ~~plan~~ Program itself as well as the related data retention policy should be reevaluated annually to assure ongoing compliance with existing and future laws and regulations.

Definitions

Covered data and information for the purpose of this policy includes student financial information required to be protected under the Gramm Leach Bliley Act (GLB). In addition to this coverage, which is required by federal law, IECC chooses as a matter of policy to also define *covered data and information* to include any credit card information received in the course of business by IECC, whether or not such credit card information is covered by GLB. Covered data and information includes both paper and electronic records.

Student financial information is that information IECC has obtained from a student in the process of offering a financial product or service, or such information provided to IECC by another financial institution. Offering a financial product or service includes offering student loans to students, receiving income tax information from a student's parent when offering a financial aid package, and other miscellaneous financial services as defined in 12 CFR § 225.28. Examples of student financial information include addresses, phone numbers, bank and credit card account numbers, income and credit histories and social security numbers, in both paper and electronic format.

IECC is Illinois Eastern Community Colleges and its affiliates Frontier Community College, Lincoln Trail College, Olney Central College, Wabash Valley College, IECC Workforce Education, and all IECC District Office locations.

RE: Renewal of Property, Casualty, and Liability Insurance Coverage

The District’s insurance coverage for property, casualty, and liability is due July 1, 2023. To bind coverage, the agreements must be entered into by midnight June 30, 2023.

At the time of this memo, the package policy premium renewal has not yet been received by my office. The loss of the Harry L Crisp Building in Robinson, Illinois, is one of the biggest claims Wright Specialty had nationwide. By our current contract, we would have needed to have been notified within 60 days of the renewal period of their intent to not extend coverage. No such notification was received. As a result, Wright Specialty has been reviewing the renewal options with the District. In discussion with our current broker, Assured Partners, we have assurances that our renewal premium cannot be more than 30% higher than last years premium for the policy, which includes property, general liability, employment practices, inland marine, commercial auto and garage keepers, crime, and umbrella. In addition to an premium increase, the current carrier is also proposing significant property value increases which will impact the premium further. The prior year’s premium for these coverages was \$279,993; accordingly, the renewal premium should not be above \$487,078.

The timing of the storm and settlement with insurance has complicated our available window to shop other options for insurance. I believe it is in the best interest of the District to move forward with Wright to settle insurance claims for the destruction of property/loss of business in Crawford County.

The following lines of coverage are outlined below along with the renewal premium for the period beginning July 1, 2023.

| Coverage | 7/1/22 -7/1/23 Expiring Term Premium | 7/1/23 – 7/1/24 Renewal Premium |
|---|--|---------------------------------------|
| Property | \$95,318 | Not received |
| General Liability | \$58,623 | Not received |
| School Board Legal & Employment Practices Liability | \$38,754 | Not received |
| Inland Marine | \$2,218 | Not received |
| Commercial Auto & Garagekeepers Liability | \$48,559 | Not received |
| Commercial Umbrella Liability | \$35,300 | Not received |

| | | |
|-------------------------------------|-----------|--------------|
| Crime | \$1,221 | Not received |
| Workers Compensation – Encova | \$103,440 | \$92,065 |
| Cyber Liability – TriSura Specialty | \$30,638 | \$30,226 |
| Multimedia Liability – Axis | \$4,031 | \$4,256 |
| Fiduciary Liability – Chubb | \$1,684 | \$1,684 |
| Foreign Package – AIG | \$2,500 | \$2,500 |
| Professional Liability – Gemini | \$6,326 | \$6,557 |
| Total | \$428,612 | Not received |

I ask the Board to accept the current renewals as listed above and authorize the Chancellor to execute coverage with Wright Specialty for the District package liability coverage for period July 1, 2023 to June 30, 2024.

RE: Inter-Fund Loans Resolution

During each fiscal year, it is not uncommon for transfers to be made between existing funds to meet obligations of the District.

Each fiscal year, in lieu of making permanent transfers between funds, the Board of Trustees is asked to approve a resolution authorizing these inter-fund loans and transfers. These inter-fund loans are for the purpose of meeting the ordinary and necessary expenditures of the district.

I ask that the Board adopt the attached resolution which authorizes the Treasurer of the District to make inter-fund loans as required during Fiscal Year 2024, and that such inter-fund loans be repaid and retransferred to the proper fund no later than June 30, 2024.

RE: Working Cash Fund Resolution

The Board of Trustees is required to approve a resolution authorizing the permanent transfer of interest earned on the Working Cash Fund to the General Fund for the purpose of paying general obligations of the District.

The Treasurer of the District has or will transfer approximately \$143,000 from the Working Cash Fund to the General Fund prior to June 30, 2023.

Only interest is transferred, and the principal of the Working Cash Fund remains intact. If for any reason the principal was spent and the District was unable to repay it, the Working Cash Fund would be depleted. A Working Cash Fund could only be reestablished by approval of a voter referendum. As of June 30, 2023, the Working Cash Fund principal is \$6,315,000.

I recommend that the Board adopt the attached resolution authorizing the Treasurer to permanently transfer approximately \$143,000 Working Cash Fund interest to the General Fund on or before June 30, 2023.

RE: Payment of Accrued Bills

The District's fiscal year ends on June 30, and under general accounting rules, the District pays bills incurred in June, but invoiced in July, as expenses for Fiscal Year 2023. By July 30 all accrued bills received during this run-out period will be paid. Therefore, these accrued bills will be paid before the Board approves them.

At each regular Board meeting, the Board receives an electronic copy of bills for review and payment. At the August Board meeting, that electronic report will include current bills for approval plus the bills that were paid in the accrual period. Each of these accrual period payments will be designated with an A (for accrual) beside the vendor.

This procedure has been followed in prior years and I request the Board's approval to pay the accrued bills prior to Board approval, with the understanding that these bills will be made available electronically for Board review at the August Board meeting.

LEASE AGREEMENT

THIS LEASE AGREEMENT (the “Agreement”) is made as of **October 5, 2017** (the “Effective Date”), by and between **Wabash Valley College** (the “Landlord”) and Skybeam, LLC dba Rise Broadband (fka RidgeviewTel), a Colorado limited liability company, on behalf of itself and its subsidiaries (the “Tenant”).

WHEREAS, Landlord is the owner of a parcel of land located at or near **15511 River Road, Mt. Carmel, Illinois 62863** (the “Property”) which has a tower or similar structure (the “Structure”) located thereon (the Property and the Structure are, collectively, the “Site”); and

WHEREAS, by instrument dated October 5, 2007, Landlord did lease unto Tenant a portion of the Site and Structure for the purpose of constructing, operating, maintaining, and repairing radio communications facilities to provide broadband internet access; and

WHEREAS, Tenant desires to continue to use the Site for the purpose of installing, operating, and maintaining wireless data communications equipment.

NOW, THEREFORE, in consideration of the mutual covenants, terms and conditions herein contained and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

- 1. LEASE.** Landlord does hereby lease to Tenant and Tenant does hereby lease from Landlord the exclusive right to construct, install, maintain, and operate wireless data communications equipment, personal property, and improvements associated with Tenant’s wireless communications business and/or the transmission and reception of radio communication signals for the purpose of providing broadband wireless internet service from the Site, including the transmission and reception of radio communication signals (the “Equipment”). Landlord shall provide utilities, including electricity, necessary to operate Tenant’s Equipment. Tenant may install, operate, maintain, repair, modify, upgrade, remove, or replace any and all Equipment at any time throughout the Term. Tenant will ensure that its Equipment does not materially affect the structural integrity of the Structure. The Equipment shall remain the exclusive property of Tenant and shall not be considered fixtures. Tenant, at its expense, may use any and all reasonable means as Tenant deems necessary to control, secure or restrict access to the Equipment. Landlord hereby waives any and all statutory and common law lien rights which Landlord may have relating to the Equipment and all rights of distraint against such Equipment.
- 2. TERM.** The term of this Agreement shall begin on the Effective Date indicated above and shall continue for **five (5) years** (the “Initial Term”). This Agreement shall automatically renew for **five (5) additional terms of one (1) year** (each an “Extended Term”), unless Tenant notifies Landlord in writing of its intention not to renew this Agreement at least thirty (30) days prior to the end of the then existing Term. The Initial Term and any Extended Term are collectively referred to herein as the “Term.”

- 3. PAYMENTS.** In consideration for use of the Site, Tenant will pay to Landlord a monthly lease payment of **One Hundred Fifty Dollars (\$150.00)**, (the “Monthly Payment”), such payments to be made on or before the 5th of each month. Tenant will further provide **one (1) wireless internet access account** to Landlord free of charge. Such access will be provided through Tenant's existing wireless internet network with services equal to the premium residential account offered by Tenant to its customers. Should the premium residential account speed increase, such account shall increase accordingly. In the event Tenant removes its Equipment and ceases transmissions from the Site prior to the expiration or termination of the Term, the internet access account provided to Landlord will cease as of the date Tenant ceases transmissions.
- 4. ACCESS TO SITE.** Landlord agrees that Tenant shall have 24/7 access to the Site for the purpose of installing and maintaining the Equipment, along with all related utility wires, cables and conduits. Landlord shall furnish Tenant with necessary means of access for the purpose of ingress and egress to the Site. It is agreed, however, that only authorized engineers, employees, or properly authorized contractors of Tenant or such authorized persons may enter the Site.
- 5. MAINTENANCE.** Tenant shall, at its sole cost, maintain and repair the Equipment, along with Tenant’s related improvements, antennas, equipment, or other property approved by Landlord, in good working condition. At such times that Landlord becomes aware of required maintenance or repairs to be performed by Tenant, Tenant will complete such repair and maintenance within a reasonable period after receipt of notice thereof from Landlord except in the event of an emergency or when the wireless or internet/intranet access is not working correctly, whereupon the repair and maintenance shall be completed immediately upon Tenant becoming aware of such need for maintenance and repair, subject to Section 4 hereof.
- 6. TRANSFER OF INTEREST/ASSIGNMENT.**

 - 6.1. This Agreement does not prevent sale or exchange of the Property by the Landlord. However, any transferee of Landlord’s interest in the Property takes such interest subject to this Agreement. In the event of the sale or other transfer of Landlord’s right, title and interest in the Property, Landlord shall be released from all liability and obligations occurring after the consummation of such sale or transfer, and the successor Landlord shall assume all of Landlord rights and obligations hereunder; provided, however, that Tenant is provided a copy of the recorded deed (or similar document evidencing such change in ownership) and IRS Form W-9 within thirty (30) days of such transaction.
 - 6.2. So long as Tenant is not in default in the performance of any of the terms, covenants or conditions of the lease on Tenant's part to be performed, Tenant's possession of the leased premises and Tenant's rights and privileges under this Agreement, or any extensions or renewals thereof, which may be effected in accordance with any option therefore in this Agreement, shall not be diminished or interfered with by any subsequent mortgagee, lender or acquiring party, and Tenant's occupancy of the Site shall not be disturbed by any

subsequent mortgagee, lender, or acquiring party for any reason whatsoever during the Term or any Extended Term.

- 6.3. Provided (i) Tenant complies with this Agreement, (ii) Tenant is not in default under the terms of the Agreement and no event has occurred which, with the passage of time or the giving of notice or both, would constitute a default under the Agreement, and (iii) the Agreement is in full force and effect, any default under any subsequent mortgage, loan, or purchase agreement, and any proceeding to foreclose the same, will not disturb Tenant's possession under the Agreement and the Agreement will not be affected or cut off thereby.
- 6.4. Tenant may assign or transfer this Agreement at any time upon written notice to the Landlord, to: (i) any affiliate of Tenant; (ii) any entity resulting from a reorganization of Tenant or its affiliates; (iii) any entity which acquires a majority of Tenant's equity or assets by way of sale, merger, consolidation or other event. For purpose herewith, an affiliate shall mean any entity that controls, is controlled by, or under common control with Tenant.

- 7.1. If a party hereto is in default of any provision of this Agreement and has failed to cure such default in accordance with Section 8 herein, the non-defaulting party may terminate this Agreement upon notice to the defaulting party.
- 7.2. Either party shall have the right to terminate this Agreement immediately upon notice to the other party if (a) the other has filed a petition in bankruptcy, is insolvent, or has sought relief under any law related to such party's financial condition or its ability to meet its payment obligations; or (b) any involuntary petition in bankruptcy has been filed against the other party, or any relief under any such law has been sought by any creditor(s) of such party, unless such involuntary petition is dismissed, or such relief is denied, within thirty (30) days after it has been filed or sought.
- 7.3. Notwithstanding anything contained herein to the contrary, Tenant may terminate this Agreement without further liability upon thirty (30) days' written notice to the Landlord for any of the following reasons: (i) changes in local or state laws or regulations which adversely affect Tenant's ability to operate; (ii) a Federal Communications Commission ruling or regulation that is beyond the control of Tenant; (iii) if Tenant reasonably determines that the Site is not appropriate for its operations for economic, technological, or regulatory reasons, including, without limitation, signal interference; or (iv) if Tenant is unable to obtain any Governmental Approval required for the construction or operation of the Equipment..
- 7.4. Upon termination of this Agreement for any reason, Tenant will remove its Equipment within ninety (90) days.

8. DEFAULT.

- 8.1. In the event there is a default by Tenant with respect to any of the provisions of this Agreement or its obligations under it, Landlord shall give Tenant written notice of such default. After receipt of such written notice, Tenant shall have thirty (30) days to cure any such default. In the event that the nature of the cure requires more than thirty (30) days, the Landlord will not hold this Agreement in default so long as the work required is being done continuously and diligently. Landlord may not maintain any action or affect any remedies for default against Tenant unless and until Tenant has failed to cure the same with the time periods provided in this paragraph.
- 8.2. In the event there is a default by the Landlord with respect to any of the provisions of this Agreement or its obligations under it, Tenant shall give Landlord written notice of such default. After receipt of such written notice, Landlord shall have thirty (30) days to cure any such default. In the event that the nature of the cure requires more than thirty (30) days, Tenant will not hold this Agreement in default so long as the work required is being done continuously and diligently. Tenant may not maintain any action or affect any remedies for default against Landlord unless and until Landlord has failed to cure the same with the time periods provided in this paragraph.
- 8.3. If neither party is in default but either party acts in a way that is contrary to the Agreement and the terms and provisions in this Agreement, this constitutes a breach of contract. Either party will then be able to seek appropriate breach of contract remedies, against the breaching party, that are available according to the laws of the state in which the Property is located.

9. INDEMNIFICATION.

- 9.1. Landlord shall indemnify, defend (using legal counsel reasonably acceptable to Tenant) and save Tenant harmless from and against any and all claims, suits, losses, damages, fines, penalties, liabilities and expenses (including reasonable attorneys' fees and other costs incurred in connection with claims) resulting from any actual or alleged injury (including death) of any person or from any actual or alleged loss of or damage to any property arising out of or in connection with (a) Landlord's occupation, use, or improvement of the Site, or that of its employees, agents, or contractors; (b) Landlord's breach of its obligations hereunder; or (c) any act or omission of Landlord or any officer, agent, employee, guest or invitee of Landlord, or of any such entity in or about the Site; provided, however, such indemnity shall not apply to the extent such claims result from the gross negligence or willful misconduct of Tenant or its agents or employees.

If, thirty (30) days after the notice provided by Lessor, Lessee shall have failed to fully pay all then due rent, Lessor shall, at its option, have authority to terminate this Lease.

17. **Casualty.** The Lessor assumes no responsibility for reconstruction of buildings. Upon destruction or damage of any of the improvements on the leased premises due to fire, flooding, windstorm, tornado, hail or other act of nature not

All damages awarded as a result of any taking, except such damages as are herein defined as Lessee's damages, shall be awarded to Lessor. Lessee shall be entitled to receive all damages which are compensation for damages to the leasehold estate and for

Upon payment by Lessee of the rents herein provided, and upon the observance and performance of all of the covenants, terms and conditions upon Lessee's part to be observed and performed, Lessee shall peaceably and quietly hold and enjoy the demised premises for the term hereby demised without hindrance or interruption by Lessor or any other person or persons lawfully or equitably claiming by, through or under Lessor, subject to the terms and conditions of this Lease.

21. **Succession.** This Lease agreement shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, successors and assigns.

4. LESSOR wishes to enter into such lease and to allow the use of his land for the aforementioned purposes.

NOW, THEREFORE, the parties hereto do agree as follows:

- A. Leasing and Premises: For and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the sums hereinafter required to be paid and the mutual covenants and agreements herein contained, LESSOR does hereby lease, let and demise unto LESSEE the following described premises:

A part of Lot 15 of Sections 3, 4, 5, 8, 9 and 10, Township 1 South, Range 12 West of the Second Principal Meridian, Wabash County, Illinois, described as follows: Commencing at the Southwest corner of said Lot 15, thence North 29° 00' West a distance of 1411.9 feet to an iron pin; thence North 60° 35' 12" East a distance of 384 feet to an iron pin being the point of beginning; thence North 60° 35' 12" East a distance of 50 feet to an iron pin; South 29° 00' East a distance of 500 feet to a point; thence North 60° 35' 12" East a distance of 200 feet to a point; thence South 29° 00' East a distance of 137 feet to a point; thence South 60° 35' 12" West a distance of 450 feet to a point; thence North 29° 00' West a distance of 69.8 feet to a point; thence North 60° 35' 12" East a distance of 200 feet to a point; thence North 29° 00' West a distance of 567.2 feet to the point of beginning, containing 1.68 acres, more or less.

- B. Rental: The total rent for the initial term of this agreement shall be the sum of Thirty Dollars (\$30.00), which sum shall be paid by LESSEE to LESSOR at the rate of One Dollar (\$1.00) per year, beginning on July 1, 2013, and continuing thereafter upon the same day of each year during the said term of this agreement.

- C. Term: The initial term of this lease shall be thirty (30) years, beginning on July 1, 2013 and ending on June 30, 2043.
- D. Possession: LESSOR shall place LESSEE in possession of the said premises at the commencement of the term hereof and LESSEE may have and retain the quiet and peaceful possession of said premises during the term of this agreement.

The payment herein prescribed shall be computed by multiplying the total tax assessed upon LESSOR'S adjacent unimproved land by a fraction, the numerator of which shall equal the number of acres in the demised premises and the denominator of which shall equal the number of acres in the tract of land of LESSOR of which the demises premises are a part. LESSEE agrees to pay all such taxes which are assessed against the LESSEE and/or the LESSOR due to personal property and improvements constructed or maintained by LESSEE on or about the leased premises: provided, however, LESSOR shall give prior notification of any taxes for which LESSEE is to be charged, so LESSEE will have the opportunity to appear before the taxing authority and contest said assessment.

LESSEE Shall indemnify LESSOR, and shall save, defend and hold harmless LESSOR against any and all claims, liability, loss or damage whatever on account of such loss, injury, death or damage. LESSEE hereby waives all claims against LESSOR for damages to any structures or improvements that are now on or may be hereafter placed or built upon the said premises and to the property of LESSEE in, on or about the said premises, and for injuries to persons or property in or about the premises from any cause arising at any time.

- J. Warranties and Representations: LESSOR covenants that he is seized of the demised premises in fee simple and has full right to make this lease, and that LESSEE shall have quiet and peaceful possession of the premises during the term of this agreement. Except as stated above, LESSOR makes no warranties of any type or kind, express or implied.

have been corrected on or before the expiration provided in such notice, LESSEE shall deliver possession of said premises to LESSOR.

- Q. Relocation of Equipment: LESSOR will not require LESSEE to relocate its equipment in any way that will cause deterioration of LESSEE'S radio signal. Nor will it require LESSEE to move or alter its equipment in a manner that would require prior approval of the Federal Communications Commission without providing at least six (6) months written notice to LESSEE.
- R. Removal of Property: At the end of the term of this agreement, or of the term of any extension or subsequent term thereof, LESSEE shall have the right to remove from the said premises all buildings, structures and appurtenances and shall return the said land, as nearly as possible, to the condition existing at the day of execution of this agreement.

THIS AGREEMENT is made as of January 14, 2015, by and between Illinois Eastern Community Colleges District No. 529/Frontier Community College, hereinafter referred to as Frontier and the Fairfield Park District of Fairfield, Illinois, a unit of local government, located in Fairfield, Illinois, hereinafter referred to as the Park District.

WITNESSETH:

WHEREAS, the Park District, as Lessee holds two leaseholds expiring December 31, 2022, unless sooner cancelled by the Lessors, covering three softball/baseball diamonds located at Southwest Park, Fairfield, Illinois, and this agreement concerns the middle softball diamond; and

WHEREAS, the parties hereto are desirous of developing said softball diamond for the mutual benefit of the students of Frontier and the residents of the Park District as a recreational facility; and

WHEREAS, the Park District has made numerous improvements to the softball diamond to accommodate the requirements of Frontier for college level softball and Frontier has agreed to reimburse the Park District for these improvements; and

WHEREAS, the parties have agreed to these improvements and hereby agree that the improved softball diamond shall continue to be leased and managed by the Park District pursuant to the terms of this Agreement:

WHEREAS, Article 8, Section 10 of the Constitution of the State of Illinois authorizes units of local government to contract or otherwise associate among themselves in any manner not prohibited by law or by ordinance; and

WHEREAS the parties have determined that it is in the best interests of the students of Frontier and the residents of the Park District, for the parties to enter into this Agreement with respect to the modification and improvement of the softball diamond and to carry out the purposes of this Agreement; and the governing bodies of each party hereto have adopted an ordinance or resolution approving this Intergovernmental Agreement and authorizing its execution.

NOW, THEREFORE, for and in consideration of the mutual promises and covenants contained herein and of other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. Modifications Required by Frontier for College Level Usage of the Softball Diamond

Frontier shall, at its sole expense, make all necessary changes to the softball diamond to comply with college requirements. Said changes shall be agreed to and made in cooperation with the Park District. The Park District and Frontier have agreed upon a basic list of required changes and such changes have been made as agreed. Frontier agrees to pay for these modifications. Once the softball diamond modifications have been fully executed, Frontier shall assume sole responsibility for the maintenance and upkeep of the softball diamond as contained within the existing fencing, and including such fencing and related poles. Frontier and the Park District agree to discuss and mutually agree upon development of any improvements beyond and outside of the existing fence, including but not limited to, bleachers, structures, and signage. It is anticipated that such improvements will be done at the expense of Frontier.

2. Scheduling and Shared Use of the Softball Diamond

Priority shall be given to the use of the softball diamond by Frontier. Use of the softball diamond shall be scheduled between the designated representative of the Park District and the designated representative of Frontier. The Park District and Frontier shall cooperate as necessary to make scheduling changes and to avoid scheduling conflicts. Frontier shall have staff in attendance at Frontier usage for purpose of supervision when the softball diamond is used for Frontier purposes. In the event of a disagreement among the parties as to any matter covered by this paragraph, the decision of Frontier with regard to such issue shall be final, but Frontier shall give due deference to the Park District in decisions. All other disagreements are covered by paragraph 7 of this agreement.

3. Liability Insurance and Indemnification

Each of the parties hereto shall maintain general liability insurance having liability limits in an amount not less than One Million Dollars (\$1,000,000.00) in force at such party's expense at all times during the term of this agreement and shall name the other party as an additional insured with respect to such policies of insurance. Proof of such insurance shall be given by each party by way of a certificate of insurance to be provided to the other party no less frequently than annually and when otherwise requested by the other party.

The Park District agrees to defend, indemnify and hold harmless Frontier, its officers, agents, and employees harmless of and from all liabilities and claims of liabilities arising out of the Park District's use of the facility and by the general public of the facility, except to the extent that such liabilities and claims arise out of the direct or indirect conduct, act, or omission of Frontier.

Frontier agrees to defend, indemnify, and hold harmless the Park District, its Commissioners, officers, agents, and employees harmless of and from all liabilities and claims of liabilities arising out of Frontier's use of the facility, when scheduled for use by Frontier, except to the extent that such liabilities and claims arise out of the direct or indirect conduct, act, or omission of the Park District.

This Agreement shall be effective upon execution hereof by both of the parties hereto after approval by their respective governing boards and shall continue for the duration of the existing leaseholds of the Park District and any extension or renewal thereof through and including July 1, 2040, unless sooner terminated by the Lessor's. Unless either party notifies the other within the last year of this agreement, this agreement shall terminate at the date specified. If neither party exercises its right of termination or extension of the initial term or of its desire not to extend the Agreement, the Agreement shall be extended for additional successive one year terms upon the same terms as then existing. In the event of the termination of this Agreement by either party as above provided, such party shall be responsible for all obligations incurred by it during the term of this Agreement. Upon termination of the Agreement, all real estate and improvements made subject hereof shall be the sole property of the Park District.

5. Binding Effect

This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and their respective successors and assigns; provided, however, that neither party shall have the right to assign its interest in this Agreement either voluntarily or by operation of law without the prior written consent and approval of the other party.

6. Amendment

This Agreement constitutes the entire agreement of the parties and may be altered, modified or amended duly upon the written consent and agreement of both parties after approval by the governing body of each party as required by law.

7. Arbitration

It is hereby agreed that in case of any disagreement or difference shall arise at any time hereafter between the parties hereto, or any person claiming under them, in relation to this Agreement, either as the construction or operation thereof or the respective rights and liabilities there under, such disagreement or difference shall be submitted to the arbitration of two persons, one to be appointed by each party to this Agreement, and the third to be appointed by the two so appointed. If either party shall refuse or neglect to appoint an arbitrator and served written notice thereof upon the other party requiring it to appoint an arbitrator, then the arbitrator so first appointed shall have the power to proceed to arbitrate and determine the matters of this Agreement or difference as if he were the arbitrator appointed by both the parties hereto for that purpose, and his decision in writing shall be final, provided such decision shall be made within twenty (20) days after the reference of said arbitrators. All decisions of the arbitrators shall be binding upon the parties hereto as if entered by a court of competent jurisdiction.

If for any reason any provision of this Agreement is determined by the Court of competent jurisdiction to be invalid or unenforceable, that provision shall be deemed to be severed and this Agreement shall remain in full force and effect with the provision severed or modified by Court Order provided that said provision determined invalid does not substantially impair the intent or substance of this Agreement so that the purposes of this Agreement are not fulfilled and the benefits to the parties hereto are not realized. If said provision does substantially impair the intent or substance, the parties shall attempt to agree on an amendment to this Agreement to address the changes necessary as a result of said Court determination. However, if the parties are unsuccessful in negotiating an amendment, this Agreement shall terminate.

10. Waiver of Performance

The waiver by either party of any term, covenant or condition herein, or the failure of such party to insist upon strict and prompt performances therewith, shall not be deemed or construed to constitute a waiver of such terms, covenant or condition, which shall remain in full force and effect and shall continue to be subject to enforcement.

Intergovernmental Agreement

This Intergovernmental Agreement ("Agreement") made and entered by and between THE DEPARTMENT OF CENTRAL MANAGEMENT SERVICES (hereinafter called "CMS") and Illinois Eastern Community College (hereinafter called "Partner").

RECITALS

WHEREAS, CMS, created the Illinois Century Network ("ICN") by 20 ILCS 3921/1-20, owns, manages, and maintains a high-speed telecommunications network that provides reliable communication links to and among Illinois schools, institutions of higher education, libraries, museums, research institutions, State agencies, units of local government, and other local entities that provide service to Illinois citizens; and

WHEREAS, CMS through the ICN provides Intermediate Light Amplification ("ILA") sites to interconnect fifteen major Local Access and Transport Areas ("LATA") in Illinois, each of which has multiple high-speed connections to the Internet; and

WHEREAS, CMS desires to co-locate ILA space and Partner desires to provide said space in the Partner Building;

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants contained herein, the parties hereby agree as follows:

Incorporation of Recitals: The matters recited above are hereby incorporated into and made a part of this Agreement.

Events of Default: Events of default ("Events of Default") include, but are not limited to, the failure of either party to supply the services identified in Exhibit A and required hereunder in accordance with the terms and conditions of the Agreement, including, but not limited to, the following:

- A. Action or failure to act which affects the safety or welfare of employees, staff or contractors of either party;
- B. Failure to perform in accordance with terms, conditions, and specifications of this Agreement;
- C. Failure to supply any portion of the services herein at the time fixed for performance and in the manner specified herein;
- D. Discontinuance of the supply of the services for reasons not beyond a party's reasonable control; or
- E. Failure to materially comply with any term of this Agreement.

Remedies: The occurrence of any Event of Default which the defaulting party fails to cure within sixty (60) calendar days after receipt of notice given in accordance with the terms of this Agreement and specifying the Event of Default or which, if such Event of Default cannot be reasonably cured within sixty (60) calendar days after notice, the defaulting party fails to commence and continue diligent efforts to cure, shall permit the non-defaulting party to declare defaulting party in default. Whether to declare Vendor in default is within the sole discretion of the Chief Purchasing Officer. The Partner's sole and exclusive remedy for any default by CMS is to terminate this Agreement pursuant to the Termination section below.

If CMS becomes aware of equipment related issues, CMS agrees to contact Partner regarding any such issues and explain the nature of the event along with basic estimates of when these problems will be resolved. CMS also agrees to work with Partner to resolve all outages as quickly as possible considering the criticality of the issue. CMS agrees to use commercially reasonable efforts to resolve all other events within 15 business days. Upon resolution, CMS agrees to contact Partner with an explanation of all events so that open trouble tickets may be closed. If the event is related to the physical connection between the Partner network and the ICN's Partner ILA, Partner will be responsible for resolving the problem.

PURPOSE OF AN ICN ILA: Entities connecting to an ICN ILA have access to all other entities connected to the ICN and also to the commercial Internet. In addition to connectivity, CMS reserves the right to offer other advanced network services as needed to the entities, which it serves. This Agreement is being executed to enable CMS to maintain an ILA for the ICN in space provided by Partner.

TERM: The term and commencement date of this Agreement shall be for the period of twenty (20) years and shall commence on the date signed by CMS. Additions, deletions or modifications of the Agreement will not affect the commencement date and must be in writing. Nothing in this Agreement shall be considered to interfere with the right of CMS to own and control the equipment placed by CMS at Partner site and is and will remain the exclusive property of CMS and may be removed by CMS at any time. In addition, Partner agrees to grant CMS an option to renew this lease for an additional ten (10) year period unless Partner has terminated this Agreement as described herein. Such option will be under the same terms and conditions and executed in writing by CMS at least ninety (90) days prior to the end of the lease period.

TERMINATION: Either party to this Agreement may terminate this Agreement by providing six (6) months notice thereof, in writing by registered mail to the other party. This notice shall specify the first day of the month in which the Agreement shall terminate. This date will be the day upon which CMS shall have removed all the equipment (including racks, cables and other auxiliary equipment) at the Partner site. It is understood that CMS property is the property of the State of Illinois and must, by law, be accounted for in any and all situations.

AVAILABILITY OF APPROPRIATION (30 ILCS 500/20-60): This Agreement is contingent upon and subject to the availability of funds. CMS, at its sole option, may terminate or suspend this Agreement, in whole or in part, without penalty or further payment being required, if (1) the Illinois General Assembly or the federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason, (2) the Governor decreases CMS's funding by reserving some or all of the CMS's appropriation(s) pursuant to power delegated to the Governor by the Illinois General Assembly; or (3) CMS determines, in its sole discretion or as directed by the Office of the Governor, that a reduction is necessary or advisable based upon actual or projected budgetary considerations. Partner will be notified in writing of the failure of appropriation or of a reduction or decrease.

INSTALLATION: The equipment of CMS to be attached to and installed for the purpose of creating a regional ICN POP at the Partner site may be placed in operation at CMS's discretion. All equipment (including racks, cables, and other auxiliary equipment) installations must be coordinated with Partner. If Partner installs Partner owned equipment in the joint CMS/Partner site, then Partner must coordinate these installations with CMS. CMS shall not install any equipment other than that specified under this Agreement without prior written approval from Partner.

SUPERVISION OF SITE ENGINEERING: While CMS/ICN retains exclusive engineering supervision over all CMS owned equipment, Partner shall have the right to supervise the installation of all CMS equipment to insure that CMS/ICN equipment does not interfere with any Partner network operations. This supervision shall include: (a) review for Partner network

acceptability of equipment to be installed by the CMS/ICN; (b) review of engineering specifications; (c) establishment of standards and practices consistent with and necessary for avoidance or elimination of interference with co-located Partner owned equipment or networks, and (d) review of protective devices and back-up power systems being installed by CMS/ICN. If CMS owned equipment causes interference and this interference cannot be eliminated within a reasonable length of time, not to exceed 48 hours, Partner may require CMS to cease using the equipment that is causing the interference except for short tests necessary for the elimination of interference. CMS shall comply with all required federal and state regulations. CMS shall be responsible to Partner for any additional costs associated with meeting required federal and state regulations if these costs are directly attributable to the installation of the CMS owned equipment in the Partner site.

This maintenance should be performed within the evening maintenance window for CMS. This notice shall occur via the contacts identified in Exhibit B, or through communications procedures mutually agreed to during the term (See COMMUNICATION). Requirements in this paragraph will in no way effect the timeliness of emergency maintenance and repair by either party.

COMMUNICATION: During the term of this agreement, CMS and Partner will mutually define and utilize a communications method to facilitate the expedient execution of this agreement.

INSURANCE: During the term of this Agreement, CMS will insure all CMS owned equipment installed at the Partner site. The insurance will provide coverage against all risks of direct physical loss or damage from any external cause with the customary perils as may be available from the State of Illinois insurance plan. In the event said equipment shall be destroyed or damaged from any cause or peril not resulting from the act, neglect, cause or negligence of Partner, the Partner shall not be liable or responsible for the destruction or damage to the equipment owned by CMS and installed at the Partner site. Partner shall maintain good and sufficient liability and property damage insurance for the space leased hereunder.

CMS shall not be liable to Partner for any interruption of service due to electrical power or air conditioning interruptions either planned or unplanned, or for vandalism, fire or other service interruptions, which may occur anywhere on the ICN network, and affect services provided to Partner under this Agreement.

WAIVER: Failure or delay on the part of Partner or CMS to exercise any right, power or privilege hereunder shall not operate as a waiver thereof.

SUBLETTING AND ASSIGNABILITY: No sublease of the space at Partner site or assignment in whole or in part of this Agreement by CMS shall be binding upon Partner without its written consent. CMS shall use the Partner site for the purpose of providing an intelligent ILA site that allows constituent entities as permitted by Illinois statute and State agencies access to CMS. CMS shall be permitted to arrange for constituents to co-locate equipment within CMS leased

space in accordance with all other terms of this Agreement.

ADDENDUM: An Addendum may be made or modified from time to time as required under the terms of the Agreement. Each modification shall be dated and signed by the parties hereto and incorporated herein by reference.

MEMORANDUM

TO: Board of Trustees
FROM: Ryan Gower
DATE: June 20, 2023
RE: Board Resolution - The Terry L. Bruce West Richland Center

Terry L. Bruce has had a significant and lasting impact on the residents, employees, and students of Illinois Eastern Community College District #529. He served as an elected official (Illinois State Senator and US House of Representatives) for 22 years, and as the CEO of our District for 23 years. When he assumed the role of the CEO, the District's finances were in disorder, the leadership of the Colleges were not working collaboratively, the relationship between the faculty association and administration was poor, and the morale of the employees was low. The job was not easy, but over 23 years of service, he mended fences and provided astute and judicious leadership to navigate difficult periods in our history.

The attached Board Resolution makes clear his contributions and this Board's desire to recognize his service by renaming the West Richland Center as The Terry L. Bruce West Richland Center.

I would ask for the Boards approval of this Board Resolution to honor and appreciate the service of Mr. Bruce.
