

BOMB

If you find something that you think might be a bomb, **DO NOT TOUCH IT.**

1. **Dial 911.**
2. Contact the President (618) 395-7777, ext. 2001 or member of the Campus Emergency Response Team.
3. Isolate the area.
4. Do not attempt to handle any suspected explosive device – leave that to a qualified bomb technician.
5. Turn off your cell-phone and/or two-way radio and instruct those in the area to do the same.
6. Do not try to evacuate the area without authority from the President or designee.
