

Preventing Sexual Misconduct at IECC

**It is your right to report (or not report)
an instance of sexual harassment or assault.**

What is Consent?

Consent is freely given agreement to sexual activity. Consent can be withdrawn at any time. Consent cannot be given when a person is unable to understand the nature of the activity or cannot consent based on circumstances including but not limited to:

- Incapacitation due to the influence of drugs or alcohol
- The person is asleep or unconscious
- The person is not of legal age to consent
- If the threat of force is used
- The person is incapacitated due to a mental disability

Consent must be given each time parties engage in sexual activity. Consent given on a prior occasion does not indicate future consent.

How to Report Sexual Misconduct

SAFE provides free, confidential advisors. These advisors are not required to report any information about an incident to the Title IX Coordinator without a victim's permission.
