CURRENT TERM CHARGES AUTHORIZATION:

Federal regulations permit students to authorize use of Title IV financial aid funds to pay for current term non-institutional charges, including but not limited to, bookstore charges, transcript and graduation fees, parking and library fines and other miscellaneous fees and fines that the student incurred. If you are eligible for Federal financial aid in excess of tuition and fees, and you wish to use this excess to cover current term non-institutional charges, you must authorize Illinois Eastern Community College to pay these charges. Please indicate your choice below.

I **do** authorize Illinois Eastern Community College to apply the credit balance derived from Federal funds/aid to other non-institutional charges on my student account.

I **do not** authorize Illinois Eastern Community College to apply the credit balance derived from Federal funds/aid to other non-institutional charges on my student account.

I understand these are voluntary authorizations and are valid for the entire period of my enrollment. I also understand that I may revoke my authorizations at any time by completing a new Title IV Authorization Form and submitting it to the Business Office. I further understand that I will be responsible for paying Illinois Eastern Community College any outstanding debts owed to the college.
