

# Bobcats Baseball

Building a Foundation for Success  
at Frontier Community College!

## How can I become a partner?

### DONATIONS

Individual and corporate donations are welcome and appreciated in partnering with Frontier Community College to build a legacy for future generations. At various donation levels, you can receive recognition by obtaining a granite tile or brick tile, showcasing your name or business name proudly at the field.

### CORPORATE SIGNAGE

4'X8' aluminum signs with your business name, company logo and advertisement can be purchased to showcase your business along the outfield fence for 3, 5, or 10 years.

### NAMING RIGHTS

What an amazing opportunity to have the naming rights for the Frontier Community College Bobcat Baseball Field! One individual, or company, will have the honor of naming the field and designing their own sign to be displayed. Sponsorship by this means will provide monies to light the field.
