About LTC

Lincoln Trail College is a two-year, coeducational, comprehensive, public community college offering a full spectrum of transfer, occupational, continuing education, and community service programs.

Located in Robinson, Illinois, the scenic main campus brings together contemporary buildings and picturesque settings like Miller Lake.

As one of roughly 1,100 students, you will receive one-on-one attention from your instructors and support staff.

Lincoln Trail has been recognized twice as one of the top 120 community colleges in the nation for its completion rates and has been recognized as the number one among public two-year colleges for student success. Our students finish what they start and we provide the resources.

Our small campus allows big opportunities for you to get involved and build your resume. This is your chance to experience things you never thought possible. Imagine yourself on stage performing with our award winning Statesmen Singers or aspire to join our nationally recognized Phi Theta Kappa Honor Society.

Lincoln Trail College provides you with a quality education at an affordable cost. In addition to offering affordable tuition costs to our in-district students, we offer special tuition discounts to students from 18 counties in southwestern Indiana.

Our mission:

Deliver exceptional education and services to improve the lives of our students and to strengthen our communities.

Illinois Eastern Community Colleges does not discriminate on the basis of race, color, religion, gender, age, disability, national origin, or veteran status. Illinois Eastern Community Colleges adheres to the Federal Regulations of the Americans with Disabilities Act of 1990 and offers appropriate services or activities with reasonable accommodations to any qualified disabled individual upon request. Illinois Eastern Community Colleges’ Board of Trustees has adopted the Substance Abuse Policy. Students and employees involved in substance abuse, within the college environment, are subject to disciplinary action.
### General Education Core Curriculum

The General Education Core Curriculum (GECC) is the starting point for students pursuing an Associate transfer degree (60 or more semester credits) or a Bachelor’s degree (120 or more credits). These students must take a set of core courses, considered an essential foundation for a well-rounded education. This core consists of 12 to 13 courses, or 37 to 41 credits. The IAI codes can be explained further by an academic advisor or through the IAI website at www.iTransfer.org.

### Illinois Articulation

If you are planning to enter college, or if you began college in the summer of 1998 or later, the Illinois Articulation Initiative (IAI) makes transfer to a four-year college or university a smooth process. Just remember these two key steps:

1. Follow the IAI road map and check the IAI website at www.iTransfer.org.

2. Get advice from your college advisor.

A primary part of the IAI was the development of the General Core Curriculum (GECC) which is transferable among more than 100 participating colleges and universities.

### Transfer Degrees

#### Associate in Arts (AA)
