Statement of Intent

The purpose of this articulation agreement is to provide a mechanism whereby individuals graduating with the degree of Associate in Science (A.S.) in Nursing from any of the approved campus(es) of Illinois Eastern Community College would be eligible to complete the requirements for the B.S. degree in Nursing at Indiana State University (ISU). Such eligibility is subject to the conditions detailed below and in attachments to this agreement.

Principles upon which Articulation is Based

1. The articulation initiatives are consistent with the Commission of Higher Education's State Policy (effective July 1, 1996) on Associate Degree Programs Offered at Public Institutions.
2. Relationships between Illinois Eastern Community College and ISU faculty and administrations have been and will continue to be in spirit of cooperation which provides the basis for all articulation initiatives.
3. Recognizing that changes in curricula and course content are inevitable, each institution agrees to discuss with the other institution all curriculum changes affecting this agreement before the changes are implemented.
4. Graduates of the Illinois Eastern Community College A.S. Degree program in Nursing who successfully compete the licensure examination and the B.S. Degree program in Nursing, meeting all transfer, retention and graduation requirements as stated in the Indiana State University catalog, will be awarded the degree of B.S. in Nursing.
