1. The linkage agreement between Olney Central College and the Southern Illinois University Carbondale Respiratory Therapy Technology Program guarantees the entry of at least three students into the program until the program is filled.
2. Students must be admitted to SIUC before they can register for courses there.
3. All prerequisite course work in italics in the University Core Curriculum list **must** be completed prior to entering the Professional Sequence of the Respiratory Therapy program at SIUC. Any other courses listed in this Linkage Program Registration Form may be completed before or after the Professional Sequence.

I have discussed the requirements for the Respiratory Therapy Technology Program at SIUC with a counselor. I understand that the linkage agreement guarantees at least three students will be accepted from Olney Central College until the program closes. I also understand that I must have applied and been admitted to SIUC before I can be in the Respiratory Therapy Technology program .

I have received a copy of this registration form from my counselor.
