

POSITION ANNOUNCEMENT

ADJUNCT FACULTY, CHEMISTRY INSTRUCTOR

Wabash Valley College

DESCRIPTION: Part-time instructor needed to teach Chemistry classes at Wabash Valley College during the 2018-2019 academic year starting in January 2019. Instructor will be responsible for developing and teaching lesson plans. Both day and evening part-time teaching positions are currently available.

QUALIFICATIONS: Master's Degree in Chemistry or Master's Degree in a related field with 18 graduate hours in Chemistry or documented equivalent is required. Successful college teaching experience including computer-assisted, multi-media instruction, and innovative teaching techniques preferred.

APPLICATIONS: Send a letter of interest, resume, and IECC application forms (available online at www.iecc.edu/employment) to:

Wabash Valley College
Attn: Dean of Instruction: Robert Conn
2200 College Drive
Mt. Carmel, IL 62863

connr@iecc.edu

APPLICATION DEADLINE: Applications will be reviewed beginning December 1, 2018; and will be accepted until the position is filled.

STARTING DATE: January 7, 2019.

Illinois Eastern Community Colleges is a multi-college district with four colleges and an administrative office located in rural southeastern Illinois: Frontier Community College in Fairfield, Lincoln Trail College in Robinson, Olney Central College in Olney, and Wabash Valley College in Mt. Carmel. The colleges are accredited by the Higher Learning Commission.

IECC's mission is to deliver exceptional education and services to improve the lives of our students and to strengthen our communities.
