An individual may be admitted to class if s/he has a high school diploma or General Education Development (GED) Certificate (students not meeting either of these qualifications and planning to transfer to a four-year institution are advised to consult admission requirements at the college to which they will transfer), transfers from a college or university accredited by the Higher Learning Commission, a commission of North Central Association of Colleges and Schools, or comparable regional accrediting association, has high school permission if secondary school-age or formal notification that the connection with the high school where the student is a resident has been severed and is 18 years of age.

Secondary School-Age Students

Students currently enrolled in a secondary school program may be accepted into a college course(s). If such courses are offered during the regular school day, established by the secondary school, or offered for secondary school credit, prior approval of the chief executive officer of the secondary school must be received. Any student who is 17 years of age and has severed connections with a secondary school, as certified in writing by the chief executive officer of the secondary school in which the student has legal residence, is eligible to attend a college in accordance with policies of the board.

Administration and Student Services

Calendar and Inclement Weather Dismissal

Frontier Community College operates within the framework of the official college semester system. Classes meeting on campus and in facilities other than public schools should follow the official college calendar in the catalog; however, classes scheduled by Frontier Community College in Clay, Edwards, Jasper, Lawrence and White counties' cooperating school facilities should follow the public school calendar. Classes in cooperating schools of these counties do not meet on days the cooperating school is closed the entire day for holidays, teacher institutes, snow cancellations and any weather-related or unexpected circumstance. In Wayne County, only the classes that meet at the high school or in other cooperating school buildings will be cancelled when the high school district cancels school for the entire day. All other classes, including those at Frontier's Fairfield campus and other off-campus locations, will meet unless the president makes a separate cancellation decision. When classes are cancelled, announcements will be made on www.iecc.edu/fcc, Facebook, and radio stations serving Wayne County and outlying counties in which students may reside. Additional information may be obtained by calling Frontier Community College at its toll-free number, 1-877-464-3687. e2Campus notification is available through Entrata. The IECC system will notify students and employees of campus emergencies and closures by e-mail and/or cell phone text message. Go to Entrata and Click the "Emergency Alerts" link on the left navigation to learn more and sign up. Special Note: Instances may develop where the president will adjust or amend this policy as the weather or situation may dictate. Each semester hour class requires 900 minutes of instructional and final testing time.

Career Placement Services

The Placement Service will assist students in interviewing and in the preparation and maintenance of credentials.

Student Conduct

FCC students are considered to have reached an age of responsible citizenship, and are expected to conduct themselves in a responsible manner both on and off campus. Students, through the act of registration, obligate themselves to obey all rules and regulations that the institution formulates and publishes in the college Catalog or the Student Handbook. Copies of the college Catalog or Student Handbook may be obtained in the Student Services offices. These documents contain specific disciplinary rules and regulations as well as procedures followed in case of infractions. The faculty and administration will share in developing and implementing specific regulations as may be needed to foster desirable conduct on the part of all students. It is the responsibility of students to obtain publications which are the result of these efforts, and it is the responsibility of students to be thoroughly familiar with the college's standard of conduct. Other general comments concerning student conduct are in Board Policy 500 and in the general Catalog under student conduct.

Student Complaint Policy

Students are entitled to due process and have the right to their own legal counsel at any time they are being questioned by the administration or Board of Trustees. They shall have the right to appeal a decision made by an administrative officer to the next higher authority, and through appropriate successive steps, to the chair of the Board of Trustees or his/her designee. Participants in the process shall not be subjected

to reprisals or retaliation because of such participation. Other general comments concerning student conduct are in the general Catalog under student complaint policy.

Class Visitors

Because of IECC's responsibility, visitors in the building or class are not permitted. Visitors wishing to speak with faculty or students must report to the Administrative offices and request such permission. Personal phone calls will not be relayed to students or instructors during instructional time.

Individual Student Insurance

Class enrollees are not covered by any IECC accident, health or medical insurance.

Tuition and/or Fee Payment and Nonpayment

Tuition will be due in full by the first day of class. Students should make a down payment at the time of registration. The college reserves the right to withdraw students from class(es) for nonpayment of tuition and/or fees.

ACT National Testing Dates

Students are encouraged to take the American College Test (ACT) Assessment. Below are tests dates administered at FCC. For registration information, visit www.act.org.

Assistance is also given in obtaining other aid and services. Veterans are encouraged to avail themselves of the services provided by FCC.

Affirmative Action

IECC, pursuant to the requirements of Titles IV, VI and VII of the Civil Rights Act of 1964 and Title IX of the Education Amendment of 1972, does not discriminate against applicants, employees or students on the basis of race, color, religion, gender, age, disability or national origin in its employment policies and/or educational programs or activities, including admission to such. Inquiries concerning this policy should be directed to the Dean of Instruction at 842-3711.

Annual Statement of Privacy Rights of Educational Records

IECC's students are herewith informed of their Rights of Privacy of Educational Records. It is the policy of the Board of Trustees of Illinois Eastern Community Colleges that an enrolled student shall be annually apprised of the following rights. The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the college receives a request for access. Students should submit to the Student Records Office written requests that identify the record(s) they wish to inspect. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records

are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes is inaccurate or misleading. Students may ask the college to amend a record that they believe is inaccurate or misleading. They should write the Student Records Office responsible for the record, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the college decides not to amend the record as requested by the student, the college will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by IECC in an administrative, supervisory, academic or support staff position (including law enforcement unit and health staff); a person or company with whom IECC has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Trustees or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, IECC discloses education records without consent to officials of another school in which a student seeks or intends to enroll. (Note: FERPA requires an institution to make a reasonable attempt to notify the student of the records request unless the institution states in its annual notification that it intends to forward records on request.)

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office; U.S. Department of Education; 400 Maryland Avenue S.W.; Washington, D.C. 20202-4605.

5. Illinois Eastern Community Colleges has established the following directory information is considered to be public in nature and will be released at any time upon request without prior approval from the student. Notice is therefore given that directory information listed below with respect to each student enrolled at IECC will be available to any person unless the student files the Directory Information Restriction Notification with the Student Records Department at the primary college of attendance, to restrict release of student information to external sources. IECC had designated as "directory information" the following student information: student name; student local/home address and telephone number; electronic mail address; date of birth; current term hours carried; major field of study; classification (freshman, sophomore, continuing); academic unit; dates of attendance; degrees and honors earned and dates; most recent previous education agency or institution attended prior to IECC; participation in officially recognized activity or sport and weight, height and pictures of members of athletic teams and picture. Students who elect to restrict the release of student information must complete the Directory information Restriction Notification form and file it with the Student Records Department at the primary college of attendance. This request will be valid for one academic year and must be renewed annually during the first two weeks of spring semester.
