MASSAGE THERAPY

OLNEY CENTRAL COLLEGE
Olney, IL

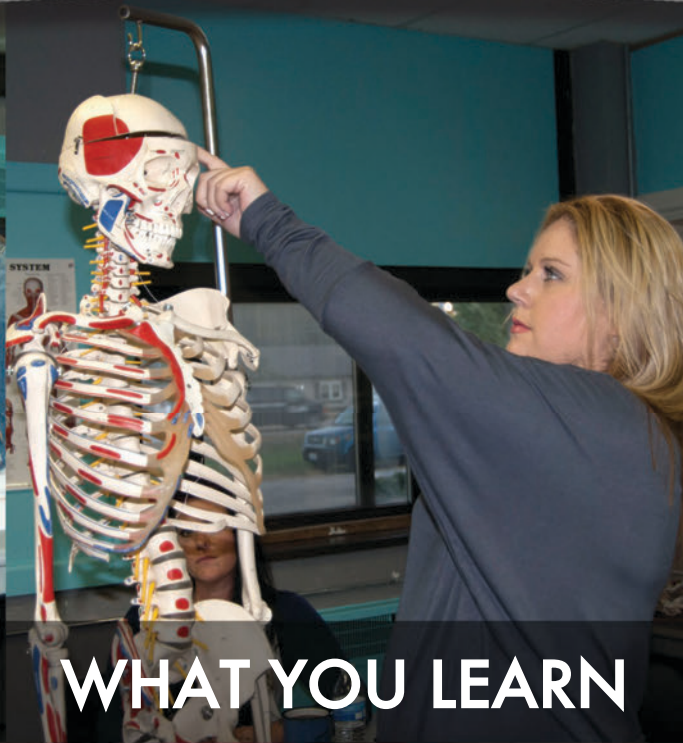

WHAT WE DO

Massage therapy's popularity continues to increase as more people discover its health benefits, which include improved circulation along with a decrease in stress and anxiety, pain, and muscle tension.

Olney Central College's Massage Therapy Program provides students with the skills needed to work in the wellness area of professional massage therapy. Classes are offered in the evening and online, giving students additional flexibility. Massage Therapy is a part-time program, which takes two years to complete. New students are accepted in even-numbered years. The program is located at the West Richland Center, 320 East North Avenue in Noble.

WHAT YOU LEARN

While enrolled in the program, students master Swedish massage techniques through in-class practice and clinicals. The clinicals, which are open to the public, provide practice with a variety of clients. Students also learn and practice other complementary therapies such as reflexology, sports massage, and hot stone massage.

Visit www.iecc.edu/occmassage for additional information and program requirements. The Massage Therapy Program complies with Illinois law and OCC policy; therefore, requirements are subject to change.

CAREERS

As the need for massage therapists grows, graduates will find many employment opportunities open to them in hospitals, chiropractors' offices, health care facilities, spas, vacation resorts, and cruise ships. Students can also choose to work as independent practitioners.

Upon completion of this program, students will be eligible to sit for the Massage and Bodywork Licensing Examination (MBLEx), administered by the Federation of State Massage Therapy Boards (FSMTB).
