April brings spring concerts

The LTC Music Department will host two concerts this spring.

The first concert, at 7 p.m. April 21, will feature the Statesmen Singers, Singing Seniors and Jazz Band.

The Statesmen Singers will showcase great jazz standards from the 20s, 30s and 60s, along with movie themes from the 90s.

The Singing Seniors will entertain with songs of romance.

The LTC Jazz Band will perform arrangements of jazz classics.

Tickets, \$8 for adults and \$4 for students, are available by calling 618-544-8657, ext. 1433, or at the door.

April 28, the Terre Haute Community Band and LTC Concert Band will perform a free 6 p.m. show.

Conducted by Yvonne Newlin, the group will perform a variety of music, including marches, familiar dance melodies, jazz tunes, a medley of Woodstock music, rag-time, and a piece written for and dedicated to the THCB and its conductor.

Organ/tissue donation campaign under way

Olney, Ill. – Secretary of State Jesse White encouraged Illinoisans to join the state's organ and tissue donor registry during a March 29 press conference at Olney Central College.

Community colleges, including Lincoln Trail College, have committed to conducting donor drives in an effort to register more than 100 organ/tissue donors at each participating college.

"We are so pleased to be working with the community colleges in an effort to enhance and improve the lives of those who are waiting for a transplant," White said. "We hope that this joint effort will increase participation in this vital program."

LTC's own Ty Warner, a telecommunication student, is among those on the wait list for an organ. Warner received his first kidney transplant from his wife. After a limited stint with success, he suffered an antibody reaction and now has been waiting on the waiting list for another kidney for four years.

In the meantime, the father and full-time student, is doing dialysis six days a week at home. He credits his doctor for bringing him this far.

"He's not only my doctor," Warner said. "He's my friend. I'm a person to him."

Warner's need for an organ isn't isolated. Currently, more than 5,000 people are on organ/tissue wait lists in Illinois. More than 300 people die

each year waiting for an organ transplant.

April is National Donate Life Month. Organizations will be working together to promote organ and tissue donor awareness throughout the state, and White will be attending events throughout Illinois to encourage dona-

tion. To register, or to find out more about organ/tissue donation, visit www.lifegoeson.com, call the Illinois Secretary of State Organ/Tissue Donor Program at 800-210-2106 or register when renewing your Illinois driver's license or state identification card at any state driver's license facility.

Tornado drill April 13

In an effort to test its Campus Emergency Plan, Lincoln Trail College will have a campuswide tornado drill at 1:30 p.m. April 13. Students, staff and faculty, as well as visitors to campus, will participate in the drill.

Students explore career options

Nearly 950 area eighth- and 10th-graders explored future career opportunities as part of the annual Career Day sponsored by Twin Rivers Career and Technical Education System and Lincoln Trail College March 7 on the LTC campus.

Students from Oblong, Robinson, Hutsonville, Palestine and New Hebron schools attended.

Presentations were given in the following areas: social services, business/office careers, small business, fine arts, agriculture, law enforcement, education, veterinary medicine, medical, science, cosmetology, English/communications, construction, industry, technology, legal/government, early childhood and food/hospitality.
