## Local Authors

### Book Signing & Informational Meeting

The Learning Resource Center at Frontier Community College is hosting a Local Authors Book Signing on Friday, October 30, from 1 p.m. to 5 p.m. in the Learning Resource Center. At this time, featured artists are: Doris Bland, Ruthie Shelton, Billie Taylor, Joe Morris, and Daniel Nalley. So far we have local history, children and comic book authors.

The event will provide an opportunity

for individuals to talk with the authors, purchase a book from the author, or discuss the steps in having a book published.

If there are other published authors in the surrounding communities who would like to participate, please contact Merna Youngblood at Frontier Community College at 842-3711. The Local Authors Book Signing is open to the public.

## Mens Baseball Coming Fall 2016

Frontier Community College (FCC) is adding men's baseball to its Bobcats athletic program in the fall of 2016. Jeff Baker, long time Cisne High School baseball coach, has been hired to serve as the head coach and is currently recruiting players.

"When we began the search for a head coach I knew we needed a great baseball mind, but we also wanted someone that could represent the type of character we expect in our athletes," stated Tommy Kent,

Athletic Director. "We got both of those in Jeff. He will be vital in building our foundation for success both on and off the field."

FCC's athletic program presently offers women's volleyball and softball. News and updates are posted on Facebook for Bobcats Athletics.

Questions regarding baseball or Bobcats athletics should be directed to the Athletic Department at Frontier Community College at (618) 842-3711, ext. 4003.

# Fairfield Coin Club Scholarship

The Fairfield Coin Club awarded \$500 scholarships to Frontier Community College students Katie Weaver of Cisne and Ashlee Hart of Wayne City during their annual Coin Show.

This marks the 21st year the Fairfield Coin Club has awarded scholarships to students at Frontier Community College. The scholarship can be applied towards tuition, fees, and books. Students must be enrolled full-time at FCC and reside in Wayne County.

Pictured left to right: Lori Noe, Coordinator of Financial Aid; Roberta Marshel, Coin Club Secretary; and Katie Weaver. Not present was Ashlee Hart.

## Beta Alpha Lambda Phi Theta Kappa National Honor Society

### Chapter Officers Elected

Officers were selected for the Beta Alpha Lambda Chapter at Frontier Community College: Adrienne Sons, President, Sabrina Seitziner and Chloe Hinkle Co-Vice Presidents. Also pictured is Alyssa Parrott, Phi Theta Kappa Advisor at FCC.

### Illinois Honors Institute & Leadership Conference

The Illinois Honors Institute and Leadership Conference was held October 8-10 at Illinois Central College in Peoria. Attending from FCC's Beta Alpha Lambda Chapter were Adrienne Sons and Advisor Alyssa Parrott. In addition to

her Chapter President responsibilities, Sons also serves as the Phi Theta Kappa Illinois Regional Southern Vice-President.

The conference provided uplifting, motivational, and educational speakers who encouraged the students and advisors to be more, do more, overcome obstacles, and to not be afraid of failure. Educational forums were held on leadership.

FCC's Adrienne Sons (front row, fourth from left) served as a group leader at the conference and lead discussions on how the speakers' presentations related to the Honors in Action projects.

# Let's Line the Sidewalk with Pumpkins!

To celebrate fall, the Learning Resource Center is calling out to students to stop by and decorate a pumpkin to line the sidewalks during the week of October 19-23.

The pumpkins are free and carving tools are provided - just stop in at the Circulation Desk. If you prefer, bring your paints or any bling to decorate your pumpkin!

Decorating can be done as a class, a small group, or an individual. Have fun celebrating fall!

## Star Party

Tuesday, October 20

7:00 - 8:30 p.m.

FCC Campus

on the lawn between the Mason Bldg and the U. of I. Extension Office

Adjunct instructor Ken Harris is hosting a Star Party for FCC students and the community. If it is a clear night, those attending will be able to see the quarter moon, stars, globular clusters, and nebulous patches. Harris will have his telescopes set up and those attending are encouraged to bring binoculars.

## Banned Book Week September 27 - October 3

All across the country public libraries, college libraries, bookstores, and community organizations celebrated the freedom to read by observing Banned Books Week, which began in 1982. The Learning Resource Center displayed many titles that had been challenged. The week is set aside to remind us that while not every book is intended for every reader, each of us has the right to personally decide what to read, listen to, or view.

Readers may be surprised to know that these popular books have been banned: *The Giving Tree*, *The Lorax* by Dr. Seuss, *Harry Potter*, *Tom Sawyer*, *Harriet the Spy*, and *Where's Waldo*.

**See You at the Pole** - The One.Love. Christian Club sponsored a See You at the Pole on September 23 with a good number of students attending. A national day started in 1990, See You at the Pole is a time for students to gather for prayer outside of regular classroom hours, typically in the early morning. This year, the One.Love. Christian Club held the event at 11:30 a.m. followed with free pizza for those in attendance.

**Constitution Day** - History adjunct instructor Paul Collins came to class as President George Washington. He used the class time to speak to his students about the history of the United States Constitution.

**Spring Quilting Class** - The quilting class that starts in January will make the pattern above, "Storm at Sea". Registration begins November 2.

**Fall Quilting Class** - The Thursday night quilting class has been busy piecing together the braid quilt pattern. With only 10 ladies enrolled in the class, adjunct instructor Wanda Ratliff is able to offer personal instruction and assistance.

# The Bobcat Den Update

Above: The coffee shop is just about complete. The concrete flooring is finished, the bars, counters, and tops have been installed, as well as the pendant lighting and ceiling fans.

Above: A drop ceiling is being installed in this classroom which will be used for yoga, spin, and zumba classes. Lastly, the wood floor will receive a top coat.

The rubber flooring has been installed in the weight room (above) as well as the cardio room (right).

# The Bobcat Den Signage

Above: Signage has been added to the south side of the building. The sign which is 20' x 29' is big enough to be seen from the Highway 15.

Above: The west side of the building boasts the Bobcat logo and college phone number. It is 10'x8'.

Left: Meagher Signs & Graphics of Flora is shown installing the signs.
