2020-2021 VERIFICATION OF ILLINOIS RESIDENCY

Name: _____ Student ID: _____

Email: _____ Phone: _____

The Financial Aid Office is requesting verification of your residency status for 2020-2021 based on possible conflicting information.

For a dependent student to be considered an Illinois resident, the parent(s) of the dependent student who is required to complete the FAFSA must physically reside in Illinois and Illinois must be his/her true, fixed, and permanent home. If Illinois becomes the parent's true, fixed, and permanent home after the initial FAFSA is filed, the student's and parent's state of legal residence and permanent mailing address must be corrected to indicate Illinois on the Student Aid Report (SAR) and Institutional Student Information Record (ISIR). The corrections must be received by ISAC while data is still accepted and processed for the applicable academic year.
