

Tuition & Costs

IECC requires all international students to purchase major medical insurance, to protect students from the high cost of health care in the United States. The following estimated expenses are for one academic year (30 credit hours).

Tuition & Fees ——— \$9,400
Living Expenses ——— \$6,500
Books & Supplies ——— \$1,000
Medical Insurance - \$1,000

*Personal expenses, food and travel are not included in this estimate.

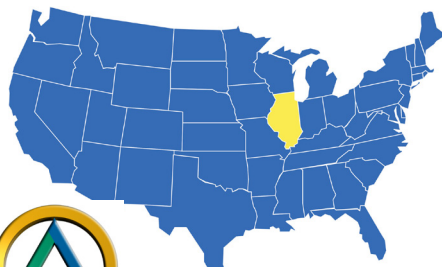

\$17,900

Campus Locations

International Student Services

The IECC International program offers on-campus housing, off-campus housing, or a **host family option**. We have van transportation that takes you to and from school, grocery shopping, as well as various other places throughout the year. We host cultural enrichment trips throughout the school year and you will also attend many community events. IECC campuses offer safe and friendly environments making it easy to create friendships with local, American people. Our campuses are centrally located making traveling easy. IECC International department has coordinators on each campus there for you daily to help you adapt to American life. We hope you come join us!

ESL

English as a Second Language

IECC offers an intensive, academically oriented program in English as a Second Language for international students who wish to study at colleges or universities in the United States. TOEFL scores are not necessary. The student will be tested upon arrival on campus and placed in the appropriate level of ESL if needed.

GED

General Education Diploma

IECC will accept 16 year old students that have not received their high school diploma. The students will complete this course after they finish their ESL program. The High School Completion course will give the student a GED or High School Diploma.
