Welcome: Dr. Gower welcomed the Council and provided the group with an overview of the agenda. He welcomed the guests and gave an overview of their contributions to the March meeting.

1. **DEI Charge (Maglone & Boyce)**- Alyssa Maglone shared with the group recent revisions to the previously viewed outline for Diversity, Equity, and Integrity. Feedback from meeting participants was received, and the committee will form and continue the process of reviewing and developing the definitions.
2. **Program Viability Overview (Weger & Maglone)** - Brandon Weger and Alyssa Maglone gave a high-level overview of Program Viability. The team has been focusing on transfer pathways for meta majors. A close look was given to variables for viability such as: student demand, number of students enrolled, partnerships with area schools, and IEI majors requirements. The group was asked to take a close look at the supporting documents and bring feedback to the April meeting.
3. **Organizational Chart (Gower)** – Dr. Gower reviewed drafts of the newly restructured charts with the group and asked for thoughts and comments regarding the reporting lines for each department. A review of the charts for each division took place. Feedback was given and noted.

4. TABLED ITEMS FOR APRIL-

- **Employee Satisfaction Survey Follow-up (Presidents)**
- **Adjunct Participation in CETL Training Follow-up (Presidents & Deans)**
- **Industrial Maintenance to WRC Follow-up (Edgren/Eddy)**
