AMERICAN SIGN LANGUAGE

THURSDAYS, SEPTEMBER 5, 12, 19, 26, 6-8 PM | \$45 | TONY AUSTIN

REGISTER BY SEPTEMBER 2

Unlock the World of American Sign Language! Immerse yourself in our enriching beginner's class, where you'll delve into the foundations of ASL. Master the essentials, from the alphabet and counting to days of the week, basic greetings, and everyday phrases. Through dynamic instruction and hands-on practice, gain the confidence to communicate effectively in this captivating visual language.

COMMUNICATION & BOUNDARIES IN ROMANTIC RELATIONSHIPS

SEPTEMBER 12 & 19, 6-8 PM | \$40 | MARCIA & PHIL THORSEN

REGISTER BY SEPTEMBER 7

Effective communication and healthy boundaries are the cornerstones of a thriving romantic relationship. This lecture will explore the essential skills and strategies for fostering open, honest, and respectful dialogue between partners. We will delve into the importance of setting and maintaining personal boundaries to ensure mutual respect and understanding. By examining common challenges and providing practical tools, this lecture aims to help couples strengthen their connection, resolve conflicts, and create a more fulfilling and harmonious relationship. Join us to learn how to navigate the complexities of love with clarity and compassion.

PASTEL ART

OCTOBER 2, 9, 16, 6-8 PM | \$35 | VICKIE BECKER

REGISTER BY SEPTEMBER 27

Discover the exciting world of using pastels to create your own artwork. This class is designed for beginner to experienced artists. This will be a fun three evenings, grab a friend and come join in.

BEGINNING PSYCHOLOGY OF A SERIAL KILLER

OCTOBER 10 & 17, 6-8 PM | \$40 | MARCIA THORSEN

REGISTER BY OCTOBER 7

When someone commits a horrifying act, such as murder, we are compelled to ask “why” and “how.” This lecture delves into the complex and often unsettling psychological makeup of serial killers. We will explore the factors that contribute to the development of such extreme behaviors, including biological, psychological, and environmental influences. By examining case studies and psychological theories, we aim to understand the motivations, thought processes, and behavioral patterns that characterize serial killers. Join us as we seek to unravel the mystery behind one of the darkest aspects of human behavior, shedding light on the intricate interplay of nature and nurture that can lead someone down a path of unimaginable violence.

HOW TO REGISTER

The easiest way to register is to call 618-544-8657, ext. 1425.

You can also register by visiting the Lincoln Trail College Learning Commons.

Early registration is recommended because class sizes are limited.

TUITION AND FEES

Classes require pre-registration and payment. Registrations are not valid until payment is received.

ACCURACY

All information listed in this catalog is accurate at the time of printing and may be subject to change. Please inquire with the College for the most up-to-date information.

ENROLLMENT AND CANCELLATION

Classes and workshops are subject to cancellation if the minimum enrollment is not attained. In the event of cancellation, participants will be notified. Some classes may have limited enrollment due to space or other limitations.
