ACADEMIC CALENDAR & IMPORTANT DATES

Wabash Valley College (WVC) operates within the framework of the official college semester system. Classes meeting on campus and in facilities other than public schools follow the IECC academic calendar. All classes on WVC's campus and in non-high school facilities, will meet as scheduled unless the president makes a cancellation decision. Classes scheduled by Wabash Valley College in high school facilities follow the high school's calendar as it relates to closing due to holidays, teacher institutes, and any weather-related or unexpected circumstance.

Additional semester dates and deadlines can be found here: <https://www.iecc.edu/semesterdates>.

ACADEMIC CATALOG

The current catalog, along with addenda, is available online at <https://www.iecc.edu/catalog>

ACADEMIC ADVISORS

At WVC, the complete development of a student's abilities is the primary objective. After the application process is complete, each student is assigned an advisor who has specialized knowledge in the student's chosen field. The advisor assists the student in developing an academic plan to meet his or her career goals.

It is the student's responsibility to schedule an appointment each semester with the assigned advisor to select appropriate courses. It is the student's responsibility to be aware of WVC graduation requirements and transfer institution requirements. To ensure continuity, students retain the same advisor throughout their WVC career unless a request for change is made.

COURSE PLACEMENT

Wabash Valley College recognizes that student success in college coursework is directly related to appropriate course placement. Therefore, WVC uses multiple measures to determine student placement in college-level courses and admission to a degree or certificate program. [Click here](#) for more information.
