CELEBRATING 65 YEARS OF SUCCESS!

On Wednesday, December 10, 2025, Wabash Valley College marked a major milestone—65 years of serving students and the community! To celebrate, a cake and punch reception was held at 1:00 PM in the Learning Commons, where guests enjoyed sweet treats and shared memories of WVC's rich history.

Attendees had the opportunity to browse archived yearbooks, sparking conversations and reminiscing about the college's journey through the decades. It was a wonderful afternoon of reflection, connection, and celebration of all that makes WVC special.

In addition, the WVC Foundation provided WVC faculty and staff with a small drink of choice from Cafe 82:3 on the anniversary date!

Thank you to everyone who joined us in honoring this incredible legacy. Here's to the next 65 years of learning, growth, and community!

HOLIDAY DOOR DECOR!

The halls of Wabash Valley College were full of festive spirit thanks to the Active Minds Holiday Door Decorating Contest! This fun tradition brought creativity and holiday cheer to campus, and we're excited to announce that the winner is... Brittany Biddle!

Her winning design, titled "Santa and His Reindeer," transformed her office door into a holiday masterpiece. The door was covered in brown craft paper and decorated with handprints representing reindeer, each labeled with a baseball team member's jersey number. At the center was a cheerful Santa illustration—portrayed by WVC Baseball Head Coach Aaron Biddle—complete with a red hat and

white beard. To complete the festive look, a garland of red, white, and purple pom-poms framed the top of the door, and three playful elves (representing the assistant coaches) were placed at the bottom.

Thank you to everyone who decorated, voted, and joined in the fun! Your creativity made WVC shine bright this holiday season.

Stay tuned for more campus activities that bring our Warrior community together! 🎄

JANUARY KICKS OFF 2026 AT WVC

The new year is off to an exciting start at Wabash Valley College! January brought opportunities for learning, professional growth, and hands-on training for both employees and health professionals. On January [insert date], WVC hosted Fire Extinguisher Training behind the Spencer Sports Center. Beginning at 2:00 PM, employees had the chance to practice using fire extinguishers in a safe, controlled environment. This important training ensures our campus community is prepared for emergencies and prioritizes safety for all.

Looking ahead to the end of January, WVC will host the PTA CEU Rehabilitation Summit, a continuing education event highlighting “Return-to-Sport and Evidence-Based Management of the Overhead Athlete Across the Lifespan.” This summit is designed for PTAs, PTs, OTs, and other health professionals seeking to expand their knowledge and earn CEUs. Registration is now open at iecc.edu/ceu-summit, where you can also find full details about the program. EMPLOYEE SPOTLIGHT

Wabash Valley College is excited to welcome Ingrida Hartsfield as the new Head Coach for Women's Basketball! Originally from Latvia, a small country in Europe, Ingrida has called the United States home for the past 15 years. Her journey began as a student-athlete, playing basketball at Vincennes University before moving on to compete at the Division I level for Utah State University.

After her playing career, Ingrida returned to Vincennes University as a coach, where she spent nearly eight years shaping student-athletes. Now, she's ready to bring her experience and passion to WVC.

When asked about her new role, Ingrida shared:

"I'm very excited. It was unexpected, but I knew it was

God's doing. I'm ready to take on the challenge. For me, it's about building relationships with these young women and helping them understand that life is more than basketball. If you help one, you've helped."

Off the court, Ingrida enjoys listening to gospel music and K-LOVE, and her favorite foods include sushi and chicken. Growing up in Latvia and transitioning to life in the U.S. wasn't easy at first, but now she feels at home in the small-town atmosphere of Princeton and Wabash Valley.

"Big cities aren't for me," she says with a smile.

Please join us in welcoming Coach Hartsfield to the Warrior family! We're excited to see the impact she'll make on and off the court.
