**2+2 Articulation Agreement  
between  
THE UNIVERSITY OF SOUTHERN INDIANA  
and  
Illinois Eastern Community Colleges**

**Statement of Intent:** The purpose of this agreement is to facilitate the transfer of graduates of Illinois Eastern Community Colleges/Frontier Community College who earn associate degrees in Graphic Arts and Design (GAD) to the appropriate baccalaureate programs at the University of Southern Indiana (USI).

**Principles Upon Which Articulation is Based:** This agreement, which encompasses the degree granting institutions of Illinois Eastern Community Colleges/Frontier Community College and the University of Southern Indiana, provides a written record of a continuing relationship centered on a mutually beneficial commitment to serving students.

This agreement confirms that all the eligible credit hours earned by students who complete graduation requirements for the Graphic Arts and Design (GAD) at Illinois Eastern Community Colleges/Frontier Community College will be accepted into and serve to fulfill lower division requirements for the B.A. or B.S. in Art/Graphic Design emphasis at the University of Southern Indiana. Thus, students who graduate having completed all degree requirements in the Graphic Arts and Design (GAD) at Illinois Eastern Community Colleges/Frontier Community College will be eligible for full junior level standing in the Art/Graphic Design emphasis program at the University of Southern Indiana.

Students transferring with an A.A.S. in Graphic Arts and Design (GAD) from Illinois Eastern Community Colleges/Frontier Community College into the University of Southern Indiana are subject to the same admission and academic policies as other applicants to the University of Southern Indiana. Transfer students are also subject to specific baccalaureate degree program admission requirements. Completion of the A.A.S. degree does not guarantee admission to a program that has a separate application process.

Students who have transferred into the University of Southern Indiana must meet all university and program graduation requirements, including the completion of the university's general education program (CORE 39), minimum residence, grade point average and upper division course requirements.

Both institutions reserve the right to change their curriculum and agree to inform the other institution's administration and program faculty of such changes as they relate to the conditions of this agreement. Such changes may require an update to the articulation agreement.

All agreements will be reviewed, updated and re-signed three years from the effective date of the agreements.

Effective Date: August 2018

Review Date: Spring 2021
