Prevention Initiatives

Violence Prevention Plan. This plan outlines IECC's violence prevention strategies, including the formation and implementation of a Threat Assessment and Behavioral Intervention Team (TABIT) with representatives from each IECC campus and the District Office. To report any type of threatening behavior, a student can complete a Behavioral Incident Report form at www.iecc.edu/violenceprevention.

Identity Theft Prevention. Identity theft occurs when someone wrongly obtains your personal information, such as your Social Security number or driver's license number, and uses that information to secure services in your name. Tips for preventing identity theft can be found at www.iecc.edu/idtheft.

Preventing Sexual Misconduct. IECC is committed to preventing and responding to incidents of sex-based misconduct, including sexual- or gender-based discrimination or harassment, domestic violence, dating violence, sexual violence, or stalking.

IECC's Preventing Sexual Misconduct Policy and Procedure (100.31) outline the standards of conduct for all members of the college community and investigative procedures for incidents of Sexual Misconduct. To report any type of Sexual Misconduct, or for a complete list of resources, visit www.iecc.edu/titleix or contact the IECC Title IX Coordinator.

will be distributed using an Emergency Alert system. Direct notifications will be sent via email and text, and a message will be posted on the student/employee portal.

Emergency Preparedness. Emergency drills and the testing/evaluation of emergency notifications and responses are conducted on an annual basis at each campus. IECC distributes its emergency response and evacuation procedures to appropriate college officials and all relevant agencies that may serve the college community in the event of an emergency, including but not limited to local law enforcement agencies, healthcare facilities, emergency management agencies, counseling centers, and fire departments. Emergency evacuation information and routes are posted in all facilities.

Emergency Alerts will include instructions for taking appropriate actions. Anyone may sign up for emergency alerts at www.iecc.edu/alerts.

Security, Access, and Maintenance of Campus Facilities. IECC personnel are responsible for the security, access, and maintenance of all college buildings and grounds. Lighting, landscaping, and other safety-related aspects of the campuses are continually monitored, maintained, and repaired. Each campus is routinely patrolled by local law enforcement agencies to evaluate and monitor security-related matters.

Weapons, Drugs and Alcohol. The possession and/or use of weapons on IECC property is strictly prohibited. Exceptions, with further details provided within the Weapons and Concealed Firearms Policy (100.28), include possession for instructional/research purposes, possession by law enforcement, and concealed firearms in a parking lot.

The Alcohol-free/Drug-free Campus Policy (100.9) provides additional information on the prohibition of alcohol and drug use on IECC campuses. Violators will be reported to local law enforcement agencies and can face immediate expulsion or dismissal from IECC. Learn more at www.iecc.edu/drugfree.
