

## POSITION ANNOUNCEMENT

# CHIEF INFORMATION OFFICER Olney, IL

**DESCRIPTION:** The Chief Information Officer (CIO) provides strategic vision, leadership, and oversight for IECC's district-wide technology initiatives. This role encompasses responsibility for all aspects of technology infrastructure, enterprise applications, data management systems, IT support and training, cybersecurity, online systems, and software integrations. The CIO directs a high-performing IT team, ensuring that technology operations remain efficient and responsive to evolving District needs. Additionally, the CIO leads timely updates and enhancement of critical IT systems, including Ellucian/Banner, to support the institution's mission and goals.

**QUALIFICATIONS:** Bachelor's degree in information technology or computer science related field required. Master's degree preferred. Five years' experience managing technology resources and/or information systems with increasing level of responsibility throughout. Experience with Ellucian/Banner software preferred. Successful applicant must have excellent written and verbal communication skills; ability to make decisions in accordance with policies, rules and regulations; ability to work independently under pressure to meet deadlines; and ability to interact effectively with administration, faculty, and staff.

**WAGES/BENEFITS:** Commensurate with education and experience. Benefits include, but are not limited to: medical, dental, and life insurance; paid sick leave, vacation, and personal days; and participation in State Universities Retirement System.

**APPLICATIONS:** Send a letter of interest, resume, IECC application forms (available online, [www.iecc.edu](http://www.iecc.edu)), and transcripts to [iecchr@iecc.edu](mailto:iecchr@iecc.edu) or mail to:
