

Prerequisite requirements for LSC 2110 and LSC 2111 are found in the Course Descriptions.

Academic Progress/Nursing

1. General education courses must be completed before or during the semester they are scheduled. Students who do not complete the general education courses early or as scheduled will not be allowed to enroll in the next nursing course.
2. Nursing students must pass all courses in the program with at least a C and maintain a minimum term GPA of 2.0 to proceed through the program. Those who do not meet these academic standards will be withdrawn from the program. Students may seek readmission but must follow the readmission by petition process found in the Nursing Student Handbook.

BASIC NURSE ASSISTANT TRAINING PROGRAM CERTIFICATE (BAID C335)

The Basic Nurse Assistant Training certificate program is a concentrated lecture and laboratory program designed to meet the Illinois Department of Public Health certification requirements. Offered in an 8- to 15-week format, the program provides an introduction to the basic components of health care skills essential to the support and assistance of individuals and families in meeting basic human needs for people of all ages. Graduates with this certificate may find employment in long-term care facilities and home health care situations.

The Health Care Worker Background Check Act requires that students complete a fingerprint background check. Fees will be paid by the student.

The Basic Nurse Assistant Training Program must comply with Illinois regulations and IECC policy; therefore, requirements are subject to change.

Professional Licensure Information

This program of study prepares students to seek a professional licensure or certification in the state of Illinois and may not meet minimum requirements for other states. See the Professional Licensure Disclosure at www.iecc.edu/licensuredisclosure for more information.

One Semester		Credit Hours 7
