

IECC Nursing students, who have exhausted their petition options and have not obtained a practical nurse license, may reapply to the first year of the program, one time, after five years from the last program exit, without regard to prior academic performance. Applicant will be subject to the following criteria:

1. Student was not dismissed from the program for any safety violations in the clinical setting.
2. Student has not violated any student conduct policies.
3. No violation of critical concerns from the Nursing Handbook during their initial time in the program.

IECC Nursing students may reapply to the second year of the program one time after three years from the last program exit, without regard to prior academic performance, subject to the following criteria:

1. Successful completion of the practical nurse curriculum;
2. Licensure as a practical nurse;
3. Employment as a licensed practical nurse with documentation of at least 2,000 hours of work from the time of the last exit from the nursing program.

If readmitted, the student progression/retention will follow the guidelines of a first-time student.

BASIC NURSE ASSISTANT TRAINING PROGRAM CERTIFICATE (BAID C335)

The Basic Nurse Assistant Training certificate program is a concentrated lecture and laboratory program designed to meet the Illinois Department of Public Health certification requirements. Offered in an 8- to 15-week format, the program provides an introduction to the basic components of health care skills essential to the support and assistance of individuals and families in meeting basic human needs for people of all ages.

Graduates with this certificate may find employment in long-term care facilities and home health care situations.

The Health Care Worker Background Check Act requires that students complete a fingerprint background check. Fees will be paid by the student.

The Basic Nurse Assistant Training Program must comply with Illinois regulations and college policy; therefore, requirements are subject to change.

Professional Licensure Information

This program of study prepares students to seek a professional licensure or certification in the state of Illinois and may not meet minimum requirements for other states. See the Professional Licensure Disclosure at www.iecc.edu/licensuredisclosure for more information.
