Behavioral Incident Report

The Behavioral Incident Report is designed to enable faculty, staff, and students to voluntarily report any behaviors that may raise concerns and incidents of misconduct at Illinois Eastern Community Colleges. An incident, in this context, is an event that does not warrant immediate intervention. In the event of an emergency that requires immediate intervention, call 911.

The Behavioral Incident Report will provide a mechanism for responding to individual incidents and will reveal patterns of disruptive behavior of specific students or individuals. It will also provide aggregate data on the nature and frequency of disruptions at Illinois Eastern Community Colleges. This report provides a standardized method for recording observations of troublesome behaviors and for alerting staff of potential concerns. Information provided in the Behavioral Incident Report may also be considered in determining appropriate sanctions for students found in violation of IECC's Student Code of Conduct.
