

FIRE/EXPLOSION

1. Activate fire alarm (if not automatically triggered).
2. Evacuate building and close doors/Call 911.
3. Assist emergency responders in verifying that everyone is out of the building. Be ready to provide information to fire and police.
4. Call Administration at ext. 1121 or ext. 1144; call District Office at ext. 5555. Return to building only after fire or police personnel give the all-clear.
