EX-OFFICIO UPDATES:

- Dean Cassandra Goldman:
 - UI System+LTC Transfer Visit Feb 2, 5-8PM at LTC - Pilot event for high school and current college students to learn about transferring - reps from all three U of I schools will be here (Champaign, Chicago, and Springfield).
 - IECC College and Career Fair - Feb 18 at OCC, 9-12PM with over 50 Businesses and booths so far.
- Student Trustee promo taking place - The current WVC Student Trustee term is completed in March. The New FCC Student Trustee term begins in April.
- New Student Orientation in January, for students just starting, was not well attended, however, the event was opened to returning students who wanted a REFRESHER on college knowledge and onboarding and these sessions were well attended. Cassandra and her team are going to use this finding to build more “refresher sessions” into the calendar next January.
- Brandon:
 - Number of Apps - 584
 - 85.2% of fall students have returned and are registered for spring
 - Up 1.3% (FTE) from this same date last year 2025

- 88% of our returning students are first-time freshmen
 - 10-Day data coming next week.
- Amber:
 - Common app updates and recent changes - will roll out in March. Transfer students will not be using the Common App, now, per ICCB.

ADULT EDUCATION - Angel Maquire

Adult Ed FAQ Info Sheet:

So... I'm interested in signing up for

ADULT EDUCATION THE QUESTIONS I MAY ASK:

Here are the facts you will need to know when signing me up for AE classes at IECC:

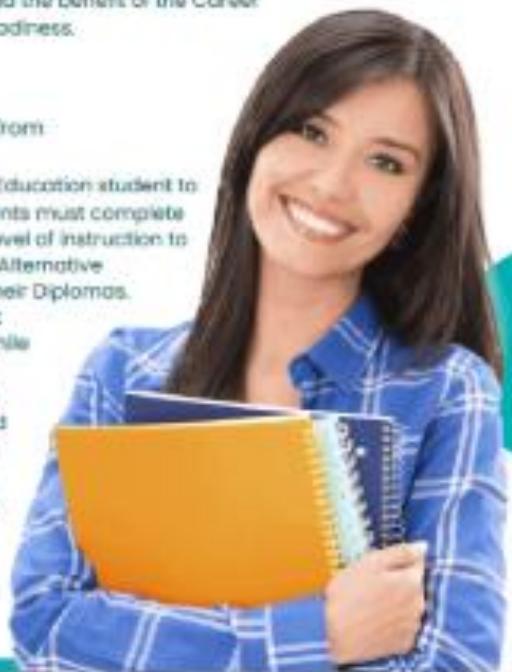

- 1. When and where can I register?** - Each campus has a Learning Commons that works with Adult Education to help register students for AE classes. The students can visit the classroom for registration if an active class is in session. When in doubt, reach out! (541) 847-9157.
- 2. What will I need in order to register?** Each AE student will need to either provide their previous high school transcript(s) or provide information about their previous high school(s) attended for AMOC purposes. If the student is 16 or 17 years old, that student will need a Letter of Separation from the last high school attended or the area high school in the community.
- 3. Can I register anytime throughout the semester?** The IECC Adult Education program provides Flexible Enrollment opportunities. Students can enroll throughout the semester up to the last four weeks of the term. When in doubt, reach out! (541) 847-9157.
- 4. Can I enroll in college classes without already having a high school diploma?** Yes, IECC Adult Education students can enroll in ICAPS (Integrated Career and Academic Preparation Systems) classes. These classes offer dual enrollment opportunities.
- 5. Can I complete a FAFSA before I receive my high school diploma?** Yes, IECC Adult Education students can and should complete a FAFSA as a requirement of ICAPS classes, and the benefit of the Career Bridge Courses help learners prepare for college and career readiness.

Be Prepared for the FAQs:

Here are some frequently asked questions you may hear from adult education inquirers:

Do I have to take this test in order to register? Yes, for an Adult Education student to be officially enrolled in the IECC Adult Education program, students must complete a CASAS Placement Test. This helps our instructors know what level of instruction to provide the learner, and is required for students enrolling in the Alternative Methods of Credentialing, a new process for students to earn their diplomas.

- How much will these classes cost?** They are FREE! We do not charge for the Adult Education classes or resources provided while the student is enrolled in the program.
- Can I take these classes online?** Yes, we offer face-to-face classes in the morning and in the evening on each campus, and we offer synchronous online classes that provide flexibility with many adult learners' schedules.
- When can I get started?** Students can start classes the day they register or the immediate class day post-registration. All registration paperwork and student CASAS placement testing will need to be sent to the Adult Education main office through encrypted email and/or through inter-office campus mail.
