## OSHA-10 Basic Safety Class

- About 10-hours long
- Teaches basic safety
- How to spot dangers at work
- Using tools safely
- Staying safe with electricity and noise
- What to do in an emergency

## WHY OSHA-10 HELPS YOU

- Shows employers you know basic safety
- Helps you stand out from other workers
- Some jobs require OSHA-10 to start
- Shows you care about doing things safely
- Helps you stay safe on the first day of work
