1. Faculty Members. Faculty members for all departments and programs must have an instructional load of at least thirty-one (31) equated semester hours for the 1988-89 academic year, and thirty (30) equated semester hours for subsequent academic years, i.e., fall and spring semesters. Revised: September 20, 2022

An employee in grant-funded position shall be advised to take all earned vacation hours prior to the termination date of a grant-funded position to eliminate possible forfeiture of pay for such remaining hours.

B. Vacation Accrual

The Leave Policy. Illinois Eastern Community Colleges complies with the Family and Medical Leave Act (FMLA) and will grant up to 12 weeks of leave during a 12-month period to eligible employees or up to 26 weeks of military caregiver leave.

Eligible Employees.

- Have worked at least twelve (12) months for Illinois Eastern Community Colleges;
- Have worked at least 1,000 hours for Illinois Eastern Community Colleges over the twelve (12) months preceding the date the leave would commence; and
- Currently work at a location where there are at least fifty (50) employees within seventy-five (75) miles.

Reasons for Leave. To qualify as FMLA under this policy, the leave must be for one of the following reasons:

- the birth of a child and to care for the newborn child within one year of birth
- the placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement;
- to care for a spouse, son, daughter, or parent (“covered family member”) with a serious health condition;
- because of your own serious health condition which renders you unable to perform the essential functions of your position;
- any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member on “covered active duty” or;
- to care for a spouse, parent, child or an individual for whom you are the nearest blood relative who has a serious injury or illness that was incurred in the line of duty while on active military duty, if the injury or illness may render the servicemember medically unfit to perform the duties of his military position. Leave for this reason may be taken only once and must be completed within one 12-month period.

Amount of Leave. An eligible employee can take up to 12 weeks of FMLA leave during any 12-month period. IECC will measure the 12-month period as a rolling 12-month period measured backward from the date an employee uses any leave under this policy. Each time an employee takes leave, IECC will compute the amount of leave the employee has taken under this policy in the last 12 months and subtract it from the 12 weeks of available leave, and the balance remaining is the amount the employee is entitled to take at that time.

An eligible employee can take up to 26 weeks for the FMLA military caregiver leave during a single 12-month period. For this military caregiver leave, the District will measure the 12-month period as a rolling 12-month period measured forward. FMLA leave already taken for other FMLA circumstances will be deducted from the total of 26 weeks available.

Eligible spouses who both work for the District may only take a combined total of 12 weeks of leave for the birth of a child, adoption or placement of a child in foster care, or to care for a parent (but not a parent "in-law") with a serious health condition. Both may only take a combined total of 26 weeks of leave to care for a covered injured or ill service member (if each spouse is a parent, spouse, child or next of kin of the service member).

You may not be granted an FMLA leave to gain employment or work elsewhere, including self-employment. If you misrepresent facts in order to be granted an FMLA leave, you will be subject to immediate termination.

Notice of Leave. If your need for family/medical leave is foreseeable, you must give the District at least 30 days prior written notice. Failure to provide such notice may be grounds for delay or denial of leave. Where the need for leave is not foreseeable, you are expected to notify the District as soon as practicable, generally within 1 to 2 business days of learning of your need for leave. The District has Request for Family/Medical Leave forms available on the Intranet or from the Human Resource Department. You should use this form when requesting leave.

Certification. If you are requesting leave due to being a covered military member you must supply notification of the call to duty order.

Medical Certification. If you are requesting leave because of your own or a covered family member's serious health condition or servicemember's serious injury or illness, you and the relevant health care provider must supply appropriate medical certification. You may obtain Medical Certification Forms from the Executive Director of Human Resources. The medical certification must be given within 15 days after it is requested, or as soon as reasonably possible under the circumstances. Failure to provide requested medical certification in a timely manner may result in denial or delay of leave until it is provided. The District, at its' expense, may require an examination by a second health care provider designated by the District, if reasonable doubt exists concerning the medical certification you initially provide. If the second health care provider's opinion conflicts with the original medical certification, the District, at its' expense, may require a third, mutually agreeable, health care provider to conduct an examination and provide a final and binding opinion. The District may also require medical recertification periodically during the leave, and employees may be required to present a fitness-for-duty verification upon their return to work following a leave for the employee's own illness.

Approval of Leave. The Board grants authority to the Chancellor to approve Family and Medical Leave. FMLA Leave should only be approved if the request for leave is made timely, meets the requirements as set forth by the current federal statute, and is approved by both the Chancellor and the Executive Director of Human Resources after a review of the application and certification materials, and the finding that such materials meet the current guidelines.

In June of each fiscal year, the Chancellor shall report to the Board of Trustees the number of FMLA leaves granted, a summary of the nature of the requests and the reasons for approval. This report shall not include the names of any individuals granted FMLA leave and all data reported to the Board of Trustees shall be such that it would not disclose the identity of any employee.

The Board of Trustees reserves the right to make inquiry to the Chancellor and Executive Director of Human Resources at any time on the number of FMLA leaves granted, but the Board shall not request the specific name of any employee.

Reporting While on Leave. If you take leave because of your own serious health condition or to care for a covered family member, you may be required to contact your supervisor on a regular basis regarding the status of the condition and your intention to return to work. For leaves for other purposes, you may be periodically required to report on your status and intent to return to work.

Leave is Unpaid. An employee who is taking FMLA leave because of the employee's own serious health condition or the serious health condition of a family member must use all paid vacation, personal time, or sick leave prior to being eligible for unpaid leave.

Disability leave for the birth of a child and for an employee's serious health condition, including workers' compensation leave (to the extent that it qualifies), will be designated as FMLA leave and will run concurrently with FMLA. An employee who is taking leave for the adoption or foster care of a child must use all paid vacation, personal or family leave prior to being eligible for unpaid leave.

An employee who is using military FMLA leave for a qualifying exigency must use all paid vacation and personal leave prior to being eligible for unpaid leave. An employee using FMLA military caregiver leave must also use all paid vacation, personal leave or sick leave (as long as the reason for the absence is covered by the IECC's sick leave policy) prior to being eligible for unpaid leave. At the Board's discretion, the substitution of paid leave time for unpaid leave time will not extend the maximum leave allowed beyond the 12-week or 26-week maximum provided under the FMLA.

Medical and Other Benefits. During an approved family/medical leave, the District will maintain your health benefits, as if you continued to be actively employed. While on paid leave, the employer will continue to make payroll deductions to collect the employee's share of insurance premiums. If your leave is unpaid, you must pay your portion of the premium during the leave. Your dependent health care coverage may cease if your premium payment is more than 30 days late. If you do not return to work at the end of the leave period, you may be required to reimburse the District for the cost of the premiums paid by the District for maintaining coverage during your unpaid leave, unless you cannot return to work because of a serious health condition or other circumstances beyond your control.

Exemption for Key Employees. Certain "key" employees (i.e., the highest paid 10% of employees at a worksite or within a 75-mile radius of that worksite and who are salaried) may not be returned to their former or equivalent position following a leave if restoration of employment will cause substantial economic injury to the District. The District will notify you if you qualify as a "key" employee, if the District intends to deny reinstatement, and of your rights in such instances.

Intermittent and Reduced Schedule Leave. Leave because of a serious health condition or for an injured servicemember may be taken intermittently (in separate blocks of time due to a single covered health condition) or on a reduced leave schedule (reducing the usual number of hours you work per workweek or workday) if medically necessary. For the birth, adoption or foster care of a child, the District and the employee must mutually agree to the schedule before the employee may take the leave intermittently or work a reduced-hour schedule. Leave for birth, adoption or foster care of a child must be taken within one year of the birth or placement of a child.

After all paid leave is exhausted, the District will reduce your salary based on the amount of time actually worked. In addition, while you are on an intermittent or reduced schedule leave for planned medical treatment, the District may temporarily transfer you to an available alternative position which better accommodates your recurring leave, and which has equivalent pay and benefits.

Other Applicable Leaves. FMLA leave will run concurrently with any other applicable leave. For instance, short-term disability or worker's compensation leave will be simultaneously designated as FMLA leave as well, if the leave is also FMLA qualifying.

Returning from Leave. If you wish to return to work at the expiration of your leave, you are entitled to return to your same position or to an equivalent position with equal pay, benefits and other terms and conditions of employment, subject to any applicable exceptions. However, you have no greater right to reinstatement or other benefits and conditions of employment than if you had not taken leave. You must return to work immediately after the expiration of your approved FMLA leave in order to be reinstated to your position or an equivalent position.

If you take leave because of your own serious health condition, you are required to provide medical certification that you are fit to resume work. You may obtain Return to Work Medical Certification forms from the Executive Director of Human Resources. Employees failing to provide the Return to Work Medical Certification Form will not be permitted to resume work until it is provided.

Military Leave (400.21)

Employee Military Leave

In accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and the Illinois Service Member Employment and Reemployment Rights Act, employees shall be granted military leaves of absence for the performance of military service.

Employees are required to provide advance notice in order to be eligible for military leave. This requirement shall be excused for military necessity, which prevents employees from giving notice or circumstances whereby it is impossible or unreasonable for employees to provide notice.

Employees on military leave are entitled to group insurance coverage as provided by the Board of Trustees. The District will continue to pay the employers portion of the premium for reservists for period of “active duty” as defined by State Law. Employees who elect to continue on the group plan must make arrangements for payment of the employee’s share of premiums while on unpaid leave. Employees on military leave will continue to accrue seniority and other benefits (e.g., vacation) while on leave. Employees on military leave are also entitled to salary continuation under the following circumstances:

1. Annual Training leave: employee receives his or her regular compensation from employer for up to 30 days per calendar year.
2. Voluntary Active Service leave: employees in the reserves are entitled to receive compensation equal to the difference between his or her daily rate of military pay and regular compensation from employer for up to 60 work days, provided military pay is less than his or her regular compensation.
3. Involuntary Active Service Duty: An employee in the reserves who is ordered to perform involuntary active service is eligible to receive additional differential compensation in accordance with State law.

Employees will need to provide requested documentation of military pay in order to facilitate the administration of differential compensation. Differential compensation is only paid for those workdays where the employee would otherwise have been scheduled to work.

Employees may elect to receive payment for vacation days, personal days, or floating holiday in lieu of differential compensation or for periods of unpaid leave, in accordance with Board policy.

Employees may elect to continue contributions at their own expense to pension plans during unpaid military leave or to make up missed contributions over the lesser of five years or three times the length of the military service.

Upon satisfactory completion of military service and timely notice of intent to return to work, employees shall have reemployment rights applicable under state and federal law.

Family Military Leave

In accordance with the Family Military Leave Act (Public Act 094-0589), employees shall be granted family military leave if they are the spouse, parent, child or grandparent of a person called to military service lasting longer than 30 days with the State or United States pursuant to the orders of the Governor or the President of the United States. To qualify for family military leave an employee must have worked for the District for at least 12 months and worked at least 1,250 hours of service during the 12-month period immediately preceding the commencement of the leave.

Employees who qualify for family military leave shall be allowed to take up to 30 days of unpaid family military leave during the time that Federal or State deployment orders are in effect, subject to the conditions set forth in this policy.

An employee may not take family military leave as provided in this policy until he or she has exhausted all accrued vacation, floating holiday, personal, compensatory time and any other paid leave that may be granted to the employee, except sick leave and disability leave.

Employees shall give at least 14 days notice of the intended date upon which the family military leave will commence if leave will consist of 5 or more consecutive work days. When able, the employee shall consult with their supervisor to schedule the leave so as to not unduly disrupt the operation of the District. Employees who take family military leave for less than 5 consecutive days shall give their supervisor advanced notice as is practicable. The District may require certification from the proper military authority to verify the employee's eligibility for the family military leave requested.

Any employee who takes family military leave, upon expiration of the leave, shall be entitled to be restored to the position held by the employee when the leave commenced or to a position with equivalent seniority status, employee benefits, pay and other terms and conditions of employment. This section does not apply if the District proves that the employee was not restored as provided in this section because of conditions unrelated to the employee's exercise of rights under this policy.

During any family military leave taken under this policy, the District shall make it possible for the employee to continue their benefits at the employee's expense. The employee will not accrue paid leave time during family military leave.

Salary Basis Policy (400.22)

Date Adopted: October 19, 2004

Revised: November 15, 2016

Revised: February 16, 2021

Revised: June 18, 2024 Effective: 07/01/2024

The Fair Labor Standards Act (FLSA) requires that most employees in the United States be paid at least the federal minimum wage for all hours worked and overtime pay at time and one-half the regular rate of pay for all hours worked over 40 hours in a workweek.

However, Section 13(a)(1) of the FLSA provides an exemption from both minimum wage and overtime pay for employees employed as bona fide executive, administrative, professional, and outside sales employees. Section 13 (a)(1) and Section 13(a)(17) also exempt certain computer employees. These exemptions are often called the “white-collar” or “EAP” exemptions. To qualify for exemption, employees generally must meet specific tests regarding their job duties, and be paid on a salary basis at not less than \$844 per week. Job titles alone do not determine exempt status. An employee’s specific job duties and salary must meet all the requirements of the Department’s regulations for the exemption to apply.

Salary Basis Requirement

To qualify for exemption, employees generally must be paid at not less than \$844 per week on a salary basis. These salary requirements do not apply to outside sales employees, teachers, and employees practicing law or medicine, as outlined by the Department of Labor.

Being paid on a “salary basis” means an employee regularly receives a predetermined amount of compensation each pay period. The predetermined amount cannot be reduced because of variations in the quality or quantity of the employee’s work. Subject to exceptions listed below, an exempt employee must receive the full salary for any workweek in which the employee performs any work, regardless of the number of days or hours worked. Exempt employees do not need to be paid for any workweek in which they perform no work. If the employer makes deductions from an employee’s predetermined salary, i.e., because of the operating requirements of the business, that employee is not paid on a “salary basis.” If the exempt employee is ready, willing and able to work, deductions may not be made for time when work is not available.

Employers may use nondiscretionary bonuses and incentive payments (including commissions) paid on an annual or more frequent basis, to satisfy up to 10 percent of the standard salary level. Additionally, if after the 52-week period, the employer has not met its financial obligation, the employer can make a final “catch-up” payment within one pay period after the end of the 52-week period to bring an employee’s compensation up to the required level. Any such catch-up payment will count only toward the prior year’s salary amount and not toward the salary amount in the year in which it is paid.

Circumstances in Which Deductions May be Made from Pay

Deductions from pay are permissible when an exempt employee: is absent from work for one or more full days for personal reasons other than sickness or disability; for absences of one or more full days due to sickness or disability if the deductions is made in accordance with a bona fide plan, policy or practice or providing compensation for salary lost due to illness; to offset amounts employees receive as jury or witness fees, or for military pay; or for unpaid disciplinary suspensions of one or more full days imposed in good faith for workplace conduct rule infractions. Also, the employer is not required to pay the full salary in the initial or terminal week of employment; for penalties imposed in good faith for infractions of safety rules of major significance, or for weeks in which an exempt employee takes unpaid leave under the Family and Medical Leave Act. In these circumstances, either partial day or full day deductions may be made.

Policy on Improper Deductions

It is our policy to comply with the salary basis requirements of the FLSA. Supervisors are prohibited from making any improper deductions from the salaries of exempt employees. Employees should be aware of this policy. Illinois Eastern Community Colleges does not allow deductions that violate the FLSA.

What To Do If An Improper Deduction Occurs

Employees, who believe that an improper deduction has been made to his/her salary, should immediately report this to the District Executive Director of Human Resources.

Reports of improper deductions will be promptly investigated. If it is determined that an improper deduction has occurred, the employee will be promptly paid for any improper deduction.

Electronic Device/Cell Phone Allowance Policy (400.25)

Date Adopted: July 15, 2008

Revised: January 18, 2022

In compliance with the State of Illinois Public Act 100-1094, IECC recognizes the requirement to reimburse employees for necessary expenditures or losses incurred by employees within their scope of employment that are directly related to the services performed for IECC. IECC recognizes that there are employees who hold positions that require the use of a personally owned cell phone or other personally owned electronic devices to conduct essential business communications. These positions have a constant and recurring need for using an electronic device. To be eligible to receive such reimbursement, the employee must have a college business need, defined and approved by the supervisor, that includes one or more of the following:

- a) The duties of the position require that the employee work regularly in the field away from land line communication and needs to be immediately accessible and no other means of communication exists.
- b) The duties of the position require a significant amount of travel during regular work hours or outside normal hours but related to official college business and access to information, which in the judgment of the college, render the employee more productive and/or the service the employee provides more effective.
- c) The duties of the position make it necessary that the employee be accessible to communicate with Administration at any time.
- d) The President of the college deems it necessary to ensure the flow of information and communication.
- e) The duties of the position require response and decision making to life-threatening or public safety issues and situations.
- f) The employee is telecommuting and needs to be reimbursed for necessary expenditures related to telecommuting at IECC.

Under the Illinois Freedom of Information Act any written communication to or from college employees regarding college business is a public record and may be subject to public disclosure and must be produced upon request from the FOIA Officer.

Employees are expected to follow federal laws and IECC policy as it relates to the Family Educational Rights and Privacy Act (FERPA) on all electronic devices. Any violations could result in disciplinary action up to and including termination.

Victims Economic Security and Safety Act (VESSA) Policy (400.26)

Date Adopted: January 20, 2009

Revised: April 18, 2017

In accordance with the Illinois Victims Economic Security and Safety Act (VESSA), leave shall be granted to an employee who is a victim of domestic or sexual violence or who has a family or household member who is a victim.

Employee Entitlement

All employees may take up to twelve weeks of unpaid VESSA leave during a twelve-month period. An employee may take VESSA leave to:

1. Seek medical attention for, or recovery from, physical or psychological injuries caused by domestic or sexual violence to the employee or employee's family or household member;
2. Obtain victim services for the employee or employee's family or household member;
3. Obtain psychological or other counseling for the employee or the employee's family or household member;
4. Participate in safety planning, including temporary or permanent relocation or other actions to increase the safety of the victim from future domestic or sexual violence; or
5. Seek legal assistance to ensure the health and safety of the victim, including participating in court proceedings related to the violence.

Employee Eligibility

To be eligible for VESSA benefits, an employee must:

- 1) currently be an employee in active status;
- 2) be a victim of domestic or sexual violence or have a family or household member (defined as spouse, parent, son, daughter and persons jointly residing in the same household) as a victim.

Application Procedures

Employees should complete the "employee" portion of the VESSA Leave Form and submit to Human Resources. The Executive Director of Human Resources will complete the rest of the form and return a copy of the form to the employee.

Certification

Certification may be requested by the Executive Director of Human Resources to verify eligibility for VESSA leave taken for reasons other than medical. The certification documentation may be in the form of (1) sworn statement of an employee, agent or volunteer of a victim services organization, an attorney, a member of the clergy, or other professionals from whom the employee or the employee's family or household member has sought assistance; and (2) a police or court record or other collaborating evidence. Such certification shall be submitted to Human Resources to determine the acceptability of the certification provided. Any expenses associated with obtaining the certification shall be the responsibility of the employee. The Executive Director of Human Resources may require an employee to obtain subsequent recertifications on a reasonable basis.

FMLA medical certification issued by the employee's or household member's health care provider shall be required to support a request for unpaid VESSA leave for a serious health condition in accordance with the District's Family and Medical Leave policy.

Use of Paid and Unpaid Leave

Employees have the option to take VESSA leave with or without pay. An employee may request to apply accrued vacation, personal, floating holiday, personal emergency or sick leave (sick leave may only be used for the employee's medical reasons) during the twelve-week period. Any portion of the twelve-week period to which accrued leave is not applied shall be without pay.

Return from VESSA Leave

An employee who has been absent for VESSA leave shall be restored to the position of employment held by the employee when the leave commenced; or an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment. An employee on leave may be required to report periodically to Human Resources on his or her status and intention to return to work. If an employee does not return to work at the end of the leave, they will be considered to have voluntarily resigned from their position with the District.

Effect of VESSA Leave Under the Family and Medical Leave Act (FMLA)

This Act does not create a right for the employee to take a leave that exceeds the leave time allowed under, or in addition to, the leave time permitted by the Family and Medical Leave Act. For employees on VESSA leave who are also eligible for FMLA leave, VESSA leave time is not in addition to the twelve-week FMLA entitlement when the reason for VESSA leave also qualifies under FMLA, but depletes the twelve-week FMLA entitlement when used. An employee who may have exhausted all available leave under FMLA for a purpose other than that, which is available under VESSA, remains eligible for leave under VESSA.

Continuation of Benefits

Health and Dental Insurance: Coverage of group health and dental insurance shall be continued by the District at the same level that coverage would have been provided if the employee had remained in continuous employment. Employees are responsible for paying the employee-paid portion of any insurance premiums presently paid by payroll deduction. If required payments are not made by the employee during the leave period, insurance coverage may be discontinued, and the employee will be offered continuation of benefits through COBRA for the dependent coverage. Employees are encouraged to contact Human Resources immediately to arrange for billing which begins thirty days following the last day of paid employment.

State Universities Retirement System: To determine the effect of leave on the accumulation of service time for retirement and to assure continuation of contributions, the employee should contact the State Universities Retirement System.

Disability Benefits: In the case of an extended disability due to a serious health condition, an employee may qualify for disability benefits through the State Universities Retirement System. Employees may request an Application for SURS Disability Benefits from Human Resources.

Nondiscrimination

The District will not discriminate or otherwise harass or retaliate against any employee with respect to the compensation, terms, conditions or privileges or employment because the individual is or is perceived to be a victim of domestic or sexual violence; attended, participated in, prepared for, or requested leave to attend, participate in, or prepare for a criminal or civil court proceeding relating to an incident of domestic or sexual violence of which the individual or family or household member was a victim; or requires an adjustment to a job structure, workplace facility, or work requirement, including a transfer, reassignment, or modified schedule, leave, a changed telephone number or seating assignment, installation of a lock, or implementation of a safety procedure in response to actual or threatened domestic or sexual violence; or the workplace is disrupted or threatened by the action of a person whom the individual states has committed or threatened to commit domestic or sexual violence against the individual or the individual's family or household member.

Within the provisions of VESSA, a reasonable accommodation will be made for a qualified employee when there are limitations resulting from circumstances that related to being a victim of domestic or sexual violence of a family or household member being a victim of domestic or sexual violence.

Employment of Relatives (400.28)

Date Adopted: March 16, 2021

Illinois Eastern Community Colleges permits the employment of qualified relatives of employees as long as such employment, whether full-time, part-time, or temporary, does not create actual or perceived conflicts of interest.

Definitions

- 1) *Relative* is defined as a spouse, child, parent, sibling, grandparent, grandchild, aunt, uncle, niece, nephew, first cousin, or corresponding in-law or "step" relation.

Relatives are not permitted to work in any position in which an inherent conflict of interest exists. Relatives are permitted to work for the District provided no direct supervisory relationship exists. No candidate and/or employee will be permitted to work within the "chain of command" of a relative such that one relative's work responsibilities, salary, or career progress could be influenced by the other relative.

This policy applies to all current employees and candidates for employment. No exception to this policy will be made without written consent of the Chancellor and Executive Director of Human Resources.

Paid Administrative Leave for COVID-19 (400.29)

Date Adopted: April 19, 2022

THIS POLICY EXPIRED 5/16/2022

As a public community college, Illinois Eastern Community Colleges is required to abide by the Public Community College Act. Public Act 102-0697 amends the Public Community College Act to provide paid leave for reasons related to COVID-19.
