Policy to Protect Academic Standing of Dual Credit Students (500.29)

Date Adopted: October 20, 2015

This policy will be effective beginning the Fall 2016 semester.

Pursuant to the Dual Credit Quality Act, 110 ILCS 27/15 community college districts may adopt policies to protect the academic standing of students who are not successful in dual credit courses. Therefore, students who are not successful in dual credit courses that follow the high school calendar may withdraw from the college course after the college drop date to protect their academic standing. Dual Credit students may withdraw with a "W" from the college course up to the last day of their high school semester.

All institutional policies relating to the academic standing of students enrolled in dual credit courses must be made publicly available by the institution and provided to each student enrolled in dual credit courses offered by the institution.
