

HUMAN AND BEHAVIORAL HEALTH ASSOCIATE IN APPLIED SCIENCE DEGREE (HBH D425)

FCC	LTC	OCC	✓ WVC
-----	-----	-----	-------

The Human and Behavioral Health/Social Work program prepares students for careers in the helping professions by providing practical knowledge and applied skills in case management, client advocacy, and community resource coordination. Students gain an understanding of mental health, substance use, family dynamics, and social service systems.

Graduates are prepared for employment in social service agencies, community organizations, correctional facilities, and healthcare settings. Typical job titles include case aide, behavioral health technician, residential counselor, and community support worker.
