

TURN YOUR ASSOCIATE DEGREE INTO A BACHELOR'S - **TUITION FREE!**

Franklin University **Partnership Scholarship**

You've come a long way – and with your associate degree in sight, it's time to think of your next move. For many community college graduates, cost is the biggest obstacle standing between an associate degree and a bachelor's. The Partnership Scholarship removes that barrier, covering full tuition and free books toward your bachelor's degree at Franklin University.

Ten scholarships will be awarded this academic year, so don't wait to apply.

Who can apply? Community college students at one of Franklin's partner institutions with at least a 2.5 GPA.
