Notes

Fall Cohort: Groups of students who have enrolled at IECC for the first time during the fall semester of a given academic year. This cohort consist of full-time, first-time degree- or certificate-seeking students. It does not include individuals who have previously attended another postsecondary institution or those who began their studies at IECC on a part-time basis.

When a cohort contains fewer than 5 students, the corresponding data is suppressed (replaced by <5) to protect student privacy.
