## ACADEMIC CALENDAR & IMPORTANT DATES

Frontier Community College (FCC) operates within the framework of the official college semester system. Classes meeting on campus and in facilities other than public schools follow the IECC academic calendar. All classes on FCC's campus and in non-high school facilities, will meet as scheduled unless the president makes a cancellation decision. Classes scheduled by Frontier Community College in high school facilities follow the high school's calendar as it relates to closing due to holidays, teacher institutes, and any weather-related or unexpected circumstance.

Additional semester dates and deadlines can be found here: <https://www.iecc.edu/semesterdates>.

## ACADEMIC CATALOG

The current catalog, along with addenda, is available online at <https://www.iecc.edu/catalog>

## ACADEMIC ADVISORS

At FCC, the complete development of a student's abilities is the primary objective. After the application process is complete, each student is assigned an advisor who has specialized knowledge in the student's chosen field. The advisor assists the student in developing an academic plan to meet his or her career goals.

It is the student's responsibility to schedule an appointment each semester with the assigned advisor to select appropriate courses. It is the student's responsibility to be aware of FCC graduation requirements and transfer institution requirements. To ensure continuity, students retain the same advisor throughout their FCC career unless a request for change is made.

## COURSE PLACEMENT

Frontier Community College recognizes that student success in college coursework is directly related to appropriate course placement. Therefore, FCC uses multiple measures to determine student placement in college-level courses and admission to a degree or certificate program. [Click here](#) for more information.

## RETENTION COORDINATOR

The Retention Coordinator is on campus to assist you in overcoming barriers that may interfere with or prevent you from completing your field of study. You'll be connected with resources in the college and community to help you succeed.

A link from a student's Entrata account provides access to the site where there are easy-to-follow directions to aid in placing the order. A major credit or debit card is necessary.
2. In person in the Student Records Office at the college. A completed transcript request form, photo ID and payment of the fee are required prior to release of the transcript.

### Emergency Closings

When the safety of students is threatened due to inclement weather or other emergencies, Frontier Community College will be closed or classes canceled/delayed.

Local elementary and high school closings do not dictate Frontier Community College closures. If no announcement is made from Frontier Community, classes will meet as usual. Cancellation of day classes does not necessarily affect evening classes. Announcements regarding evening classes will be made prior to 4 p.m., if at all possible.

Notifications of emergencies and unexpected closings are broadcast via the IECC Alert System, posted on [www.iecc.edu/fcc](http://www.iecc.edu/fcc), Facebook, and Twitter. Administration will attempt to notify media outlets prior to the 6 a.m. news on the day of the closing/interruption.
