

Creating a NetTutor Account

1. Go to the sign-up URL shown below.

<https://pisces.link-systems.com/access-code/01a09181-1a80-71d3-b938-fbe9479339b8>

2. Enter the email address you want to use for your account. Select **Send My Setup Link**. We'll email you a link to finish your account setup.
3. Fill out the form you're directed to when you select the link from the email. Select **Create Account & Log In**.
4. To deposit your access token, select the **NetTutor Tutoring Center** card on the landing page.
5. Read through the End User License Agreement. If you agree to the terms, select the **I Agree** button.
6. Select the subject you'd like help with.
7. Select the wallet icon in the user menu to enter the NetTutor Wallet.

8. Select Import a token.
