SURG 225	Professional Practice	10
	Total Credits	30

**AGREEMENT BETWEEN
VINCENNES UNIVERSITY
Surgical Technology 6550, A.S. Career/Tech
AND
ILLINOIS EASTERN COMMUNITY COLLEGES**

Statement of Intent

The purpose of this agreement is to provide a framework for the transfer of credits earned at Illinois Eastern Community Colleges to the Associate of Surgical Technology Career/Tech degree at Vincennes University.

The faculty of both institutions have worked together to develop the attached listing of course equivalencies, course requirements for the Associate of Surgical Technology Career/Tech degree. The agreement is in effect for courses taken beginning Fall 2025. All course work taken prior to Fall 2025, will be evaluated by Vincennes University faculty to determine transferability of course work.

This agreement will remain in effect until one party decides to terminate it, with 60 days advance notice. Both institutions agree to keep the other aware of curriculum changes as they occur, and the agreement should be reviewed every three years. While both parties to the agreement understand its purpose is to maximize transfer opportunities for student, they also recognize the limits may be placed on courses accepted under the provisions of this agreement, should the student subsequently decide to change to another program not covered by the agreement. Furthermore, both parties acknowledge that the successful transfer of the listed courses does not guarantee admission to the Surgical Technology Program at Vincennes University.
